MI School Data News and Updates

Updated as of June 1, 2022

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our Report Calendar.

Released to the Public

2021-22

- School contact information on the **Annual Education Report**, **Parent Dashboard** and **Our Schools – At A Glance** has been updated to reflect data captured in the EEM as of April 8, 2022.

- The **Special Education Data Portraits** – **Disability**, **Age Range** and **Educational Setting and Demographics** reports show different breakouts of students who received special education services.

- The **Qualified Teaching Staff** metric on the **Parent Dashboard** shows the percentage of teachers, by content area, who are certified in the assignment they are teaching.

2020-21

- Target and performance data on indicators 1 to 14 of the **Special Education Annual Public Reporting** for the state, ISDs and districts have been updated. Users can also download data for these reports from the Special Education Summary tab. ISD and district indicator data are available in the **Part B (Special Education)** downloadable files, and *Early On®* data are available in the **Part C (*Early On*®)** file.

Coming Soon

2020-21

- The **Postsecondary: Progress Toward Sixty by 30** Education Focus Area combines data from the Lumina Foundation, National Student Clearinghouse, and CEPI to explore postsecondary enrollment, persistence, and completion rates of Michigan students. The report tracks progress toward Michigan's initiative to increase the percentage of Michigan adults with postsecondary

degrees or certificates to 60% by the year 2030.

- The **Postsecondary Student Data File** allows users with secure access to view student-level information on college enrollment, coursework, cumulative credit, program and award information, and GPAs for students from in-state and out-of-state colleges and universities.
