

MI School Data News and Updates

Updated as of December 15, 2021

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our [Report Calendar](#).

Released to the Public

2020-21 Data

- The **Former English Learner Students** metric on the [English Learner Dashboard](#) shows a cumulative count of all students at a selected location who exited from EL services since 2011-12.
- The following metrics on the [Parent Dashboard](#) have been updated:
 - **English Learner Progress** shows the percent of EL students improving their scores on the WIDA test enough to show they are on track to being proficient in the English language within three years.
 - **Progress** shows the percent of students on track to becoming proficient on the SAT, PSAT, M-STEP and MI-Access state tests, or who are already proficient and continue to improve their score.

Released in Preview

2020-21 Data

- The [Annual Education Report](#) displays detailed information on student assessment, accountability, educator qualifications, National Assessment of Educational Progress, and Section 1003 School Improvement funds for schools, districts, and the state. Data will be publicly available within a week.
- The [Early Childhood Program Participation](#) report shows the number of children enrolled in select early childhood programs prior to kindergarten. Data will be publicly available within a week.

Released to Secure Users

2020-21 Data

- Student-level data are available for secure users only in the Summative Accountability and English Learner Accountability files on the [Accountability Downloads](#) page.

Coming Soon New Development

- A new page on the [Parent Dashboard](#), **Student Characteristics**, will contain graphs showing data on ethnicity, gender, English Learners, students with disabilities and economically disadvantaged students for the selected school, statewide and at similar schools.

Fall 2021 Data

- The number of Michigan public high school graduates who enrolled in a college or university within 48 months of high school graduation is shown in the [College Enrollment by High School](#) report.
- The [College Enrollment Destination](#) report shows the colleges and universities in which public high school students enrolled within 48 months of high school graduation by school or district, and by graduation year.
- The [Postsecondary Student Data File](#) allows users with secure access to view student-level information on college enrollment, coursework, cumulative credit, program and award information, and GPAs for students from in-state and out-of-state colleges and universities.

2020-21 Data

- The **Community College Demographic Enrollment Profile** data file on the [Community College Data](#) page shows the number of students enrolling in and receiving degrees at Michigan community colleges by age, gender and race/ethnicity.
- Financial information reports include district and statewide [expenditure](#), [revenue](#), [fund balance](#) and [balance sheet](#) data. In addition, the [District Financial Transparency Dashboard](#) gives users a comprehensive view of district finances, including up to five years of trend information.
- Head Start, GSRP and GSRP/Head Start Blend providers with secure accounts can use the [Third Grade Assessment Outcomes for Early Childhood Participants](#) report to see how students previously enrolled in their programs performed on third grade M-STEP assessments. M-STEP performance is shown in the aggregate according to proficiency level, as well as at the student level.
- The following metrics on the [Parent Dashboard](#) will be updated:
 - **Advanced Coursework** shows the percent of students in grades 11 and 12 enrolling in and passing advanced coursework.
 - **English Learner Participation** shows whether at least 95% of English Learner students took the WIDA test.

- **On-Track Attendance** shows the percent of students who miss fewer than 10% of the days of possible attendance.
- **Test Participation** shows whether at least 95% of enrolled students took state tests in all subjects.
