

MI School Data News and Updates

Updated as of January 19, 2022

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our [Report Calendar](#).

Released to the Public

Fall 2021 Data

- The number of Michigan public high school graduates who enrolled in a college or university within 48 months of high school graduation is shown in the [College Enrollment by High School](#) report.
- The [College Enrollment Destination](#) report shows which colleges and universities Michigan public high school students enrolled in within 48 months of high school graduation by school or district, and by graduation year.

2020-21 Data

- The [Annual Education Report](#) displays detailed information on student assessment, accountability, educator qualifications, National Assessment of Educational Progress, and Section 1003 School Improvement funds for schools, districts, and the state.
- The [Early Childhood Program Participation](#) report shows the number of children enrolled in select early childhood programs prior to kindergarten.
- Financial information reports include district and statewide [expenditure](#), [revenue](#), [fund balance](#) and [balance sheet](#) data. Additionally, the [District Financial Transparency Dashboard](#) provides a comprehensive view of district finances, including up to five years of trend information.
- The following [Parent Dashboard](#) metrics have been updated:
 - **On-Track Attendance** shows the percent of students who miss fewer than 10% of the days of possible attendance.
 - **Progress** shows the percent of students on track to becoming proficient on the SAT, PSAT, M-STEP and MI-Access state tests, or who are already proficient and continue to improve their scores.

Released to Secure Users

Fall 2021 Data

- The [Postsecondary Student Data File](#) allows users with secure access to view student-level information on college enrollment, coursework, cumulative credit, program and award information, and GPAs for students from in-state and out-of-state colleges and universities.

2020-21 Data

- Head Start, GSRP and GSRP/Head Start Blend providers with secure accounts can use the [Third Grade Assessment Outcomes for Early Childhood Participants](#) report to see how students previously enrolled in their programs performed on third grade M-STEP assessments. M-STEP performance is shown in the aggregate according to proficiency level, as well as at the student level.

Coming Soon

New Development

- A new page on the [Parent Dashboard, Student Characteristics](#), will contain graphs showing data on race/ethnicity, gender, English learners, students with disabilities, and economically disadvantaged students for the selected school, statewide, and at similar schools.

2020-21 Data

- School contact information on the [Annual Education Report, Parent Dashboard](#) and [Our Schools – At A Glance](#) will be updated with data captured in the EEM on Dec. 6, 2021.
- Data showing the number and percent of 3rd, 8th and 11th grade students who were proficient on the M-STEP, PSAT and SAT and were identified as “Section 31a At Risk” will be updated in the [At Risk Student](#) report.
- Data showing student achievement at Michigan’s colleges and universities are found in the [College Degrees and Certificates Awarded](#) report.
- [College Remedial Coursework](#) shows the number of Michigan public high school graduates who took at least one remedial course after enrolling in a Michigan college or university the year after high school graduation.
- The **Community College Demographic Enrollment Profile** data file on the [Community College Data](#) page shows the number of students enrolling in and receiving degrees at Michigan community colleges by age, gender and

race/ethnicity.

- The [Postsecondary Student Data File](#) allows users with secure access to view student-level information on college enrollment, coursework, cumulative credit, program and award information, and GPAs for students from in-state and out-of-state colleges and universities.
- The [School-Level Expenditure Report](#) breaks down expenditures of federal, state and local funds for public schools. Users can compare expenditures at county, city, ISD, district or school levels.
- The following reports will be updated with postsecondary data for high school graduation years 2019-20 and prior:
 - The [College Enrollment by High School](#) report shows the number of Michigan public high school graduates who enrolled in a college or university.
 - [College Enrollment Destination](#) data show the colleges and universities where public high school students enrolled.
 - Student progression in postsecondary education after high school graduation is shown in the [College Progression by Graduating Class](#) report.
 - The [On-Track College Progress](#) report shows the amount of time Michigan public high school graduates take to accumulate 24 college credits.
- The following metrics on the [Parent Dashboard](#) will be updated:
 - **English Learner Participation** shows whether at least 95% of English learner students took the WIDA test.
 - **Test Participation** shows whether at least 95% of enrolled students took state tests in all subjects.
 - **Total School Expenditures Per-Pupil** shows the amount of money a district spent on education in a school, divided by the number of students educated in that school.
