

MI School Data News and Updates

Updated as of September 7, 2022

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our [Report Calendar](#).

MI School Data Secure Account Deactivation

To streamline account maintenance processes, MI School Data accounts without login activity since April 1, 2021 will be deactivated on Oct. 1, 2022. Individuals with deactivated accounts will receive a “pending approval” login message and will be unable to access secure data. Users who wish to maintain their access should log in to MI School Data by Sept. 30, 2022.

Updated Support Document

Report Catalog

- The [Report Catalog](#) has been updated to include information on the update schedule and secure permissions for each report, as well as a list of all demographics and years available. The catalog can be found under the Support tab of the navigation bar, as well as on the [Help and Support](#) page under Resources > Using MI School Data.

Recently Released to the Public

2021-22

- The [College Readiness](#) report shows how many students met college readiness benchmarks in Mathematics, Evidence-Based Reading and Writing, and Total Score on the SAT standardized test.
- The [Grades 3-8 State Testing](#) and [High School State Testing](#) reports show proficiency and scoring data for the M-STEP, PSAT, SAT and MI-Access tests.
- The following data have been updated on the [Parent Dashboard](#):
 - **Peer data** provide averaged data for each metric from up to 30 schools that are geographically nearby or possess similar characteristics to the selected location. Similar characteristics include the number of enrolled students, student-teacher ratio, percentage of students eligible for free or reduced-price lunch, and funding spent per student. Because peer

averages are based on the most recent year, peer averages for all years and metrics have been updated.

- The **Performance** metric shows the percent of students meeting state academic standards on state tests.

Recently Released in Preview

2021-22

- Data showing attendance rates for all students, chronically absent students, and not chronically absent students are shown in the [Student Attendance](#) report. Data will be publicly available within a week.

Coming Soon

2021-22

- The **Continuity of Service in Special Education** reports show early intervention and special education services delivered to Michigan children during three important age spans: birth to third birthday, third birthday to kindergarten entry, and kindergarten to 3rd grade.
 - The [Service Comparisons](#) report shows the percentage of students receiving services in each age group for a selected ISD compared to the statewide percentage.
 - The [Service Pathways](#) report shows the number and percentage of children receiving services in each age group, as well as when children began and finished receiving services.
- Data showing how school districts rated the effectiveness of their teachers and administrators will be updated in the [Educator Effectiveness](#) report.
- The **Student Attendance** metric, which shows students' average attendance rate, will be updated on the [Parent Dashboard](#).
