

MI School Data News and Updates

Updated as of August 17, 2022

This page is updated the first and third Wednesday of every month with news and report release information. For a schedule of report releases, please see our [Report Calendar](#).

Recently Released to the Public

2020-21

- The [College Opportunities for High School Students](#) Education Focus Area shows metrics about participation and outcomes for Early Middle College and other dual enrollment programs.
- The [Postsecondary: Progress Toward Sixty by 30](#) Education Focus Area uses data from CEPI and other sources to explore postsecondary enrollment, persistence and completion rates of Michigan students. The report tracks progress toward Michigan's initiative to increase the percentage of adults with postsecondary degrees or certificates to 60% by 2030.

Coming Soon

2021-22

- The [College Readiness](#) report shows how many students met college readiness benchmarks in Mathematics, Evidence-Based Reading and Writing, and Total Score.
- The [Grades 3-8 State Testing](#) and [High School State Testing](#) reports show proficiency and scoring data for the M-STEP, PSAT, SAT and MI-Access tests.
- The **Performance** metric on the [Parent Dashboard](#) shows the percent of students meeting state academic standards on state tests.
