How Did We Get Here?

ACGME Annual Cycle

- Compliance oversight
- GME Workshops and Individual program consults

- GME New Protocol
- Audits and Oversight

- GME Workshops and Individual Program Consults
- GME Audit prior to submission
- High Risk Program additional support

Milestone Evaluations (May-June)

Case Log Reporting (July-September)

ACGME ADS Annual Update (July-September)

- Results analyzed to identify need for program internal reviews
- Annual Score Card Results

RRC Review (January-May)

- Results analyzed to identify need for program internal reviews

RRC Review (September-December)

ACGME Resident & Faculty Survey (January-April)

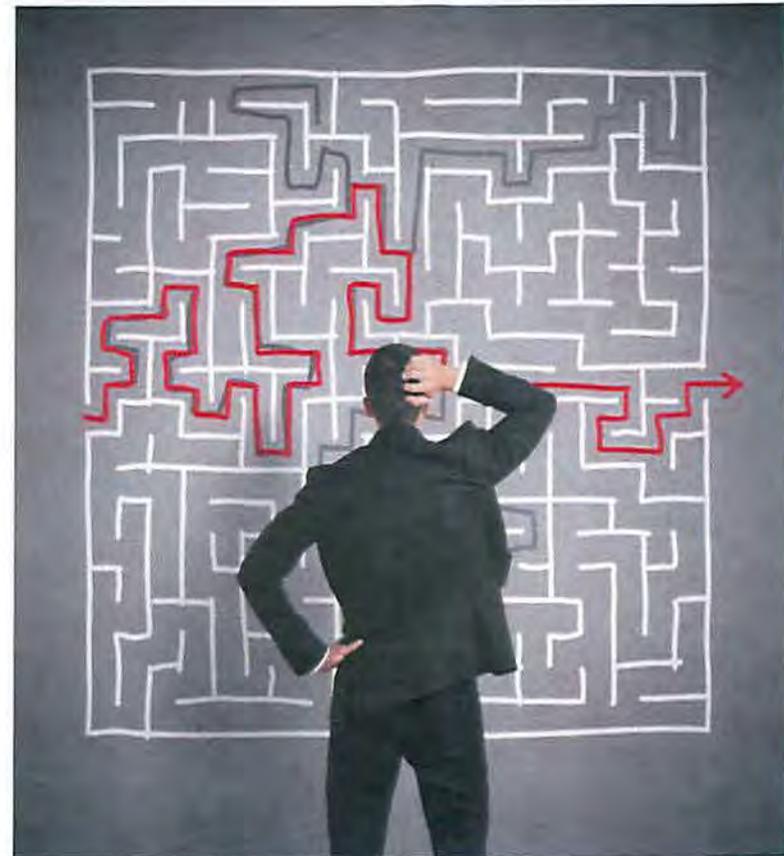

Milestone Evaluation (November-December)

- Compliance oversight
- GME Workshops and Individual program consults

- GME Presentations to all High Risk Programs
- Results analyzed to identify programs at risk for adverse events
- Increased GME oversight of high risk programs

GME Focus: Future Forecasting

- Clinical Learning Environment & Joint Commission Alignment
- Increased oversight of resident duty hours (*now called “clinical experience and education”*)
- ACGME World Dominance
- Continuous Evaluation & Improvement (Annual Reports & Self-Study)
- *Faculty, Fellow & Resident Wellness*
- *Physician Burnout*
- *Resident Salary Regional Equity*
