(f) any liabilities or obligations incurred in connection with the negotiation, preparation, investigation and performance of this Agreement, other documents relating

to this Agreement and the transactions contemplated hereby, including, without limitation, fees and expenses of counsel, accountants, consultants, advisors and others.

2.6 Consideration, Purchase Price and Projected Net Working Capital. Subject to the terms and conditions of this Agreement, and in reliance upon the representations and warranties of Seller set forth herein, Purchaser shall provide to Seller, as consideration for the sale, conveyance and assignment of the Purchased Assets, free and clear of any Encumbrances, other than the Permitted Encumbrances, the following consideration:

(a) An amount equal to the sum of Seventeen Million Five Hundred Thousand Dollars (\$17,500,000) *plus* the Closing Date Projected Net Working Capital subject to the “true up” process described in Section 3.4 below (“*Purchase Price*”). No later than ten (10) Business Days prior to Closing, Seller shall prepare and deliver to Purchaser a good-faith estimate of the Purchase Price with supporting detail and documentation satisfactory to Purchaser in its reasonable discretion. Such calculation will be attached hereto as Schedule 2.6(a).

(b) Such other covenants and commitments of Purchaser hereunder, including but not limited to, the Capital Commitment Amount described at Section 12.3 hereof.

(c) Payment of Purchase Price. On the Closing Date, Purchaser shall pay the Purchase Price by wire transfer of immediately available funds into an account designated by Seller by notice to Purchaser given not less than five (5) Business Days prior to the Closing Date.

(d) Projected Net Working Capital. At least ten (10) Business Days prior to Closing, Seller shall deliver to Purchaser a certificate setting forth a determination of the Projected Net Working Capital as of the Closing Date, based on the last day of the most recently ended calendar month prior to the Closing Date for which financial statements are available and any updated information available to Seller at that time (the “*Closing Date Projected Net Working Capital*”). Such determination shall be made in accordance with GAAP and consistent with the definition of Projected Net Working Capital. The certificate shall contain reasonable detail and supporting documentation with respect to such determination. By way of example, Schedule 2.6(d)-1 demonstrates the Closing Date Projected Net Working Capital using the June 30, 2014 balance sheet. Schedule 2.6(d)-2 demonstrates the Closing Date Projected Net Working Capital as of the Closing Date. Consistent with the true up process set forth at Section 3.4, the Closing Date Projected Net Working Capital will be reconciled with the Closing Date Actual Net Working Capital.

2.7 Allocation of Purchase Price. The Purchase Price shall be allocated among the Purchased Assets in the manner set forth in Schedule 2.7 (and in accordance with the requirements of Treasury Regulation §1.141-12), to be determined by mutual agreement of Seller and Purchaser before the Closing. The parties agree that this allocation will be used by them for all purposes including tax, reimbursement and other purposes. Each party, if applicable, agrees that it will report the transaction in accordance with such allocation, including under Section

1060 of the Code, and that it will not take a position inconsistent with such allocation except with the written consent of the other party hereto.

2.8 Proration. The parties will use all reasonable efforts to determine appropriate prorations as of the Closing for each of the items set forth in this Section 2.8. Purchaser and Seller shall prorate as of the Effective Time any amounts with respect to (a) the Assigned Contracts, but only to the extent the event giving rise to such obligation occurred prior to the Effective Time, or to the extent that any prepayments have been made with respect to the delivery of goods or services for periods ending on or after the Effective Time, (b) ad valorem taxes, if any, on the Purchased Assets, (c) property taxes, if any, on the Purchased Assets, and (d) if cut off statements cannot be obtained as of Closing, all utilities servicing the Hospital, including water, sewer, telephone, electricity and gas service, except that payments for ad valorem and property taxes shall initially be determined based on the previous year's taxes and shall later be adjusted to reflect the current year's taxes when the tax bills are finally rendered. The parties shall cooperate to avoid, to the extent legally possible, the payment of duplicate taxes, and each party shall furnish, at the request of the other, proof of payment of any taxes or other documentation which is a prerequisite to avoid payment of a duplicate tax. Any such amounts which are not available within ninety (90) days after the Closing Date shall be similarly prorated as soon as practicable thereafter. Seller shall pay to Purchaser, or Purchaser shall pay to Seller, as the case may be, within ten (10) Business Days after the determination thereof, any unpaid prorated amount attributable to periods prior to, or following, the Effective Time.

2.9 Nonassignable Contracts. To the extent that: (a) the rights of Seller under any Assigned Contract may not be assigned to Purchaser without the consent of another Person; and (b) such consent has not been obtained; then this Agreement will not constitute an agreement to assign or assume such Contract (each, a "*Nonassignable Contract*") if an attempted assignment and assumption would constitute a breach thereof or be unlawful. If any such consent is not obtained and any attempted assignment or assumption of a Nonassignable Contract would be ineffective or would impair Purchaser's rights thereunder so that Purchaser would not in effect acquire the benefit of all such rights, then: (a) the Nonassignable Contract will not be an Assigned Contract hereunder; and (b) Seller, to the maximum extent permitted by Law, will act after the Closing Date as Purchaser's agent in order to obtain, for Purchaser, the benefits thereunder (including enforcement for the account of Purchaser of such rights against the other party to the Nonassignable Contract) and will reasonably cooperate, to the maximum extent permitted by Law, with Purchaser in any other reasonable arrangement designed to provide such benefits to Purchaser.

2.10 Casualty Loss.

(a) The risk of loss or damage to any of the Purchased Assets shall remain with Seller until the Effective Time and Seller shall maintain insurance policies covering the Purchased Assets and all other property through the Effective Time. If any material part or portion of the Purchased Assets is damaged, condemned, lost or destroyed (whether by fire, theft or other casualty event) prior to the Effective Time, Seller shall notify Purchaser ("*Casualty Notice*") as soon as possible of such damage, loss or destruction. The Casualty Notice shall set forth Seller's good faith, reasonable estimate (the "*Estimate*") of the fair market value of the cost to repair, replace or restore (as

applicable) such damage, loss or destruction, net of any insurance proceeds due Seller for such loss (the “*Aggregate Damage*”).

(b) If there is damage, loss or destruction to the Purchased Assets and the Estimate of the cost to repair, replace or restore (as applicable) such damage, loss or destruction is greater than Three Million Dollars (\$3,000,000.00), net of any insurance proceeds due Seller for such loss (a “*Material Loss*”), then Purchaser may, within ten (10) Business Days after receipt of the Casualty Notice, by written notice to Seller, terminate this Agreement.

(c) If the Estimate is less than a Material Loss and Purchaser objects to the Estimate, then Purchaser shall notify Seller of such objection (the “*Purchaser Notice*”) within five (5) Business Days after receipt of the Casualty Notice. The Purchaser Notice shall indicate whether Purchaser objects to the Estimate and whether Purchaser believes that the value of the Aggregate Damage is in excess of a Material Loss. If the parties are unable to resolve their disagreement concerning the value of the Aggregate Damage within ten (10) Business Days after Seller’s receipt of the Purchaser Notice, then they shall promptly agree upon an independent valuation consultant (the “*Loss Consultant*”) who shall, as promptly as possible, determine the Aggregate Damage and confirm in writing either that the Aggregate Damage is less than a Material Loss or exceeds a Material Loss. If the Loss Consultant’s report indicates a Material Loss, then Purchaser may submit a termination notice within five (5) Business Days after the receipt of the Loss Consultant’s report. The Loss Consultant’s determination shall be final and binding on the parties. The fees and costs of the Loss Consultant shall be shared equally by Purchaser and Seller.

(d) If, prior to the Effective Time, any part or portion of the Purchased Assets is destroyed, lost or damaged, (i) to an extent that does not result in a Material Loss, or (ii) to an extent that would be a Material Loss and Purchaser fails to terminate this Agreement, then the parties shall consummate the transactions contemplated in this Agreement, subject to the other terms and conditions of this Agreement, and, at the Effective Time, Seller shall deliver possession of the Purchased Assets to Purchaser in such physical condition as the same may then exist; provided that, in such event, Seller will assign to Purchaser the right to receive any net insurance proceeds received for the property loss or damage to the Purchased Assets and reduce the cash portion of the Purchase Price by an amount equal to any deductible in connection therewith provided that Purchase utilizes such net insurance proceeds to replace, repair, or restore the damage to the Purchased Assets.

ARTICLE III. CLOSING

3.1 **Closing.** The closing of the transactions under this Agreement (the “*Closing*”) will take place at the offices of the Hospital in Port Huron, Michigan (or such other place as the parties may mutually agree) on the last day of the month immediately after all of the conditions to Closing set forth in Articles VIII and IX are either satisfied or waived (other than conditions which, by their nature, are to be satisfied on the Closing Date), or such date as Seller and

Purchaser may mutually agree upon in writing (the “*Closing Date*”). (k) the Medical Records Custody Agreement described in Section 12.16 duly executed by Purchaser; and

(l) such other customary instruments of transfer, assumption, filings or documents, in form and substance reasonably satisfactory to Seller, as may be required to give effect to this Agreement.

3.3 Actions of Seller at Closing. At Closing, or unless otherwise stated herein or waived by Purchaser in writing, Seller will deliver to Purchaser the following:

(a) One or more Special Warranty Deeds, each known in Michigan as a Deed C with warranties against Seller's acts only (together, the "Deeds"), fully executed by Seller in recordable form, conveying with limited warranty, subject to the Permitted Encumbrances title to the Real Property owned in fee by Seller to Purchaser;

(c) the Assignment and Assumption Agreement, fully executed by Seller, pursuant to which Seller shall convey to Purchaser Seller's interest in the Assigned Contracts;

(d) a copy of the assignment and assumption of Seller's interest in each Hospital Partner described in Section 2.3 duly executed by Purchaser (or the applicable Affiliate of Purchaser);

(e) at least ten (10) Business Days prior to Closing, UCC financing statement searches, together with evidence reasonably satisfactory to Purchaser of the full release at Closing of all Encumbrances noted thereon (or a binding written agreement in a form reasonably acceptable to Purchaser to release the same upon payment), except for the Permitted Encumbrances;

(f) copies of resolutions duly adopted by the Board of Directors of Seller, authorizing and approving Seller's performance of the transactions contemplated hereby and its execution and delivery of this Agreement and the other documents described herein, certified as true, complete and in full force and effect as of the Closing Date by appropriate officers of Seller;

(k) executed notices of the sale, assignment and transfer of the Hospital, to be furnished to all third-party payors for contracts held by Seller that exclusively pertain to Hospital (e.g., no such notices shall be provided to third-party payors with which Seller has a system-wide contract or contracts held by a Hospital Partner) in a form reasonably approved by Purchaser;

(l) if necessary, the Transition Services Agreement described in Section 12.13 duly executed by Seller;

(m) the Medical Records Custody Agreement described in Section 12.16 duly executed by Seller; and

(n) such other customary instruments of transfer, assumption, filings or documents, in form and substance reasonably satisfactory to Purchaser, as may be required to give effect to this Agreement.

By no later than ninety (90) days after Closing, there shall be a dollar for dollar adjustment to the total dollar value of the Closing Date Projected Net Working Capital, compared to the actual dollar value of the net working capital on the Closing Date (the "*Closing Date Actual Net Working Capital*"). The calculation of the Closing Date Actual Net Working Capital contemplated by this Section 3.4 shall include amounts calculated in accordance with GAAP and consistent with the sample calculation of the Projected Net Working Capital Adjustment set forth on Schedule 2.6(d)-1. The difference between the Closing Date Actual Net Working Capital and the Closing Date Projected Net Working Capital shall be paid (i) to Seller if the Closing Date Actual Net Working Capital exceeds the Closing Date Projected Net Working Capital or (ii) to Purchaser if the Closing Date Actual Net Working Capital is less than the Closing Date Projected Net Working Capital.

ARTICLE IV. REPRESENTATIONS AND WARRANTIES OF SELLER

Except as set forth in the disclosure schedules delivered by Seller to Purchaser on or prior to the date hereof (and such Schedule Supplements updated through the Closing Date delivered by Seller to Purchaser as provided in Section 6.6), including any documents attached to or incorporated by reference in such disclosure schedules (the "*Disclosure Schedules*"), Seller hereby represents and warrants to Purchaser that the statements contained in this Article IV are true and correct as of the date hereof and will be true and correct as of the Closing Date. The disclosure in any Section or subsection of the Disclosure Schedules corresponding to any Section in this Article IV shall be deemed to qualify all other Sections and subsections in this Article IV.

4.1 Existence and Corporate Capacity. Seller is a nonprofit corporation which is duly organized, validly existing and in good standing under the laws of the State of Michigan. Seller has the requisite power and authority to enter into this Agreement, perform its obligations hereunder and to conduct its business as now being conducted.

4.2 **Powers; Consents; Absence of Conflicts with Other Agreements, Etc.** To Seller's Knowledge, the execution, delivery and performance of this Agreement by Seller and all other agreements referenced herein or ancillary hereto to which it is a party and the consummation of the transactions contemplated herein by Seller: (a) are within its corporate powers, are not in contravention of law or of the terms of its governing documents, or any amendments thereto and have been duly authorized by all appropriate corporate action; (b) except as otherwise expressly herein provided, do not require any approval or consent of, or filing with, any governmental agency or authority bearing on the validity of this Agreement which is required by law or the regulations known to Seller of any such agency or authority; (c) subject to any required consent, will not create any lien, charge or encumbrance affecting any Purchased Assets; (d) will not violate any statute, law, rule or regulation of any governmental authority known to Seller to which Seller or the Purchased Assets are subject; and (e) will not violate any judgment of any court or governmental authority to which Seller or the Purchased Assets is subject, other than, in the cases of clauses (b), (c), (d) and (e) above, any such matters that, individually or in the aggregate, have not had a Hospital Material Adverse Effect.

4.3 **Binding Agreement.** Assuming the due execution and delivery of this Agreement by the other parties hereto, this Agreement constitutes the valid and legally binding obligations of Seller and is enforceable against Seller in accordance with its terms, except as enforceability may be restricted, limited or delayed by applicable bankruptcy or other laws affecting creditors' rights generally and except as enforceability may be subject to general principles of equity (collectively, the "*Enforceability Exceptions*").

4.4 **Financial Statements.** Seller has delivered to Purchaser copies of the following financial statements of the Hospital on an accrual-basis (Schedule 4.4) (the "*Financial Statements*"): (a) Unaudited Balance Sheet dated as of September 30, 2014 (the "*Balance Sheet Date*"); (b) Unaudited Income Statement as of September 30, 2014; (c) Unaudited Balance Sheets and Income Statements for the fiscal year of the Hospital ended on June 30, 2014. To Seller's Knowledge, such unaudited Financial Statements materially conform to generally accepted accounting principles and practices in the United States, consistently applied, except as to the absence of footnotes and normal audit adjustments and as otherwise may be set forth in Schedule 4.4. Such Balance Sheets and such Income Statements present fairly in all material respects in accordance with foregoing accounting principles the financial condition of the Hospital as of the dates indicated thereon, and the results of operations of the Hospital for the periods indicated thereon.

4.5 **Extraordinary Liabilities.** Except as set forth in the Financial Statements, to Seller's Knowledge there are no other extraordinary liabilities of any nature of Seller relating to the Hospital or the Purchased Assets required in accordance with GAAP to be disclosed on the Financial Statements.

4.6 **Licenses.** The Hospital is duly licensed by the State of Michigan to operate as a hospital. The ancillary departments located at the Hospital which are required to be specifically licensed are duly licensed by the appropriate state agencies. Seller has all other licenses, permits and approvals from any governmental entity which are needed or required by law to operate the business related to or affecting the Hospital other than such licenses, permits and approvals the absence of which, individually or in the aggregate, has not had and would not reasonably be

expected to have a Hospital Material Adverse Effect. Seller has delivered to Purchaser a list and summary description (Schedule 4.6) of all known material licenses and permits, franchises, certificates of need and certificate of need applications owned or held by Seller relating to the ownership, development or operations of the Hospital and the Purchased Assets.

4.7 Medicare Participation/Accreditation. The Hospital is qualified for participation in the Medicare and Medicaid programs, has a current and valid provider contract with the Medicare and Medicaid programs, is in compliance with the conditions of participation in such programs, except for instances of noncompliance that, individually or in the aggregate, have not had and would not reasonably be expected to have a Hospital Material Adverse Effect, and has received all approvals or qualifications necessary for capital reimbursement on the Purchases Assets. The Hospital is duly accredited by the Joint Commission for the three-year period ending October 24, 2016. Except as may be disclosed in Schedule 4.7 hereto, Seller has not received any written notice from either the Medicare or Medicaid programs of any pending or threatened investigations or surveys related to Hospital or the Purchased Assets. Seller has provided to Purchaser complete and correct copies of Hospital's Medicare cost reports for Hospital's fiscal year ended on June 30, 2013.

4.8 Regulatory Compliance. Except as set forth on Schedule 4.8 hereto, to Seller's Knowledge, Hospital is in material compliance with all applicable Laws, except for instances of noncompliance that, individually or in the aggregate, have not had and would not reasonably be expected to have a Hospital Material Adverse Effect. Seller has filed all reports, data and other information related to Hospital, which are required to be filed with such commissions, boards, bureaus and agencies where a failure to file would have a Hospital Material Adverse Effect on the operations of the Hospital or the Purchased Assets.

4.9 Contracts. To Seller's Knowledge, Seller has delivered to Purchaser an accurate list (Schedule 4.9) of all contracts which affect the Hospital, the Purchased Assets or the operation thereof, which both involve an annual obligation on the part of Seller of Seventy-Five Thousand Dollars (\$75,000) or more and are not cancelable within ninety (90) days ("*Material Contracts*"). To Seller's Knowledge, Seller has delivered true and correct copies of the Material Contracts to Purchaser. Except for the Material Contracts and the Excluded Contracts, there are not to Seller's Knowledge any contracts or commitments involving any obligation which affects the Purchased Assets and which both involve an annual obligation on the part of Seller of Seventy-Five Thousand Dollars (\$75,000) or more and are not cancelable within ninety (90) days.

4.10 Equipment. Seller has delivered to Purchaser a fixed asset schedule of all fixed assets used in the operation of the Hospital as of October 31, 2014 (Schedule 4.10), which takes into consideration substantially all the equipment constituting any part of the Purchased Assets. No representation is made that such schedule is comprehensive. Since the Balance Sheet Date, Seller has not sold or otherwise disposed of any item of equipment relating to the operation of the Hospital not replaced having a net book value in excess of Fifteen Thousand Dollars (\$15,000) associated with, or constituting any part of, the Purchased Assets, except in the ordinary course of business.

4.11 **Title.** As of Closing, Seller shall hold good and valid title to all tangible assets, real, personal or mixed, and all intangible assets owned by Seller that are included in the Purchased Assets, and, at Closing, Seller will convey to Purchaser good title to all such tangible properties and assets, real, personal and mixed, and Seller's interest in all leasehold estates constituting the Purchased Assets or any part thereof (other than the fee title interest in the Real Property), subject to no liens except for Permitted Encumbrances.

4.12 **Real Property.** Seller owns fee title to the Real Property described in Schedule 2.1(a) hereto, and: (a) if any liens are asserted against the Real Property by, through or under Seller or any Affiliate of Seller which are not Permitted Encumbrances, Seller shall obtain the release of such liens(s) prior to Closing or cause the Title Company to insure over such lien(s); (b) no party has been granted any license, lease or other right relating to the use or occupancy of the Real Property, or any part thereof, except Seller and except for Permitted Encumbrances; and (c) at Closing, Seller shall convey to Purchaser good and marketable fee title to the Real Property, free and clear of any lien, except for the Permitted Encumbrances.

4.13 **Quality and Condition of Assets.** Other than with respect to representations and warranties as herein provided, Seller shall transfer the Purchased Assets to Purchaser and Purchaser shall accept the Purchased Assets from Seller on an "as is, where is" basis. Schedule 4.13 describes all Life Safety Code deficiencies related to the Purchased Assets of which Seller has received written notice.

4.14 **Insurance.** Seller has delivered to Purchaser an accurate schedule (Schedule 4.14) disclosing the insurance policies or self-insurance funds of any nature maintained by Seller or Seller's Affiliates covering the ownership and operations of the Purchased Assets, which Schedule reflects the policies' numbers, terms, identity of insurers, amounts and coverage. All of such policies are now and will be until Closing in full force and effect on a claims made basis with no premium arrearages.

4.15 **Employee Benefit Plans.** Schedule 4.15 hereto sets forth a list of the material employee pension benefit plans and employee health or welfare benefits plans (as such terms are defined in ERISA, whether or not applicable thereto, collectively "*Benefit Plans*") that Seller sponsors or maintains and that currently cover employees of the Hospital. To Seller's Knowledge, all such Benefit Plans have been administered in compliance with ERISA, to the extent applicable thereto, and the applicable provisions of the Internal Revenue Code of 1986, as amended (the "*Code*"), except for instances of noncompliance that, individually or in the aggregate, have not had, and would not reasonably be expected to have, a Hospital Material Adverse Effect.

4.16 **Employee Relations.** To Seller's Knowledge, there is no pending or threatened employee strike, work stoppage or labor dispute with respect to Seller's employees assigned to the operations of Hospital. No union representation question exists respecting any of Seller's employees assigned to Hospital, no collective bargaining agreement exists or is currently being negotiated by Seller with regard to the Hospital, no demand has been made for recognition by a labor organization by or with respect to any of Seller's employees assigned to Hospital, and none of the employees of Hospital are represented by any labor union or organization to Seller's Knowledge. There is no unfair practice claim against Seller with respect to Seller's employees

assigned to Hospital before the National Labor Relations Board, or any strike, dispute, slowdown, or stoppage pending or threatened against or involving the Hospital and none has occurred. Except as set forth on Schedule 4.16, there are no pending EEOC claims, wage and hour claims, or disputed unemployment compensation or workers' compensation claims related to Seller's employees assigned to Hospital.

4.17 Litigation or Proceedings. Seller has delivered to Purchaser an accurate list and summary description (Schedule 4.17) of all material litigation or proceedings with respect to the Hospital and the Purchased Assets to which Seller is a party. Except to the extent set forth on Schedule 4.17, there are no claims, actions, suits, proceedings or investigations pending, or to Seller's Knowledge, threatened against or affecting Seller with respect to the Hospital or the Purchased Assets, at law or in equity, or before or by any Governmental Entity.

4.18 Medical Staff Matters. Seller has heretofore provided to Purchaser true, correct, and complete copies of the bylaws and rules and regulations of the medical staff of the Hospital. With regard to the medical staff of the Hospital and except as set forth on Schedule 4.18 hereto, there are no pending or, to Seller's Knowledge, threatened disputes with applicants, staff members or health professional affiliates and all appeal periods in respect of any medical staff member or applicant against whom an adverse action has been taken have expired.

4.19 Tax Liabilities.

(a) All tax returns, including, without limitation, Form 990 information returns, employee payroll tax returns and employee unemployment tax returns, for periods prior to and including Closing which are required to be filed by Seller related to the operations of the Hospital (collectively "*Returns*") have been filed or will be filed within the time and in the manner provided by law (including any valid extensions thereof), and tax liabilities of Seller shown thereon have been paid by Seller;

(b) All taxes, penalties, interest, and any other statutory additions which have become due by Seller pursuant to the Returns, and any assessments received by Seller (collectively "*Payable Tax Items*") have been paid or adequately provided for by the reserves shown in the Financial Statements of Hospital as of the Balance Sheet Date; and

(c) Except as disclosed on Schedule 4.19(c), there are no tax liens on any of the Purchased Assets, except for Permitted Encumbrances.

4.20 Solvency. Seller is solvent and Seller will not be rendered insolvent as a result of any of the transactions contemplated by this Agreement. For purposes hereof, the term "*solvency*" means that: (a) the fair salable value of Seller's tangible assets equal to the total amount of its respective liabilities (including for purposes of this definition all liabilities, whether or not reflected on a balance sheet prepared in accordance with generally accepted accounting principles, and whether direct or indirect, fixed or contingent, secured or unsecured, and disputed or undisputed); (b) Seller is able to pay its debts or obligations in the ordinary course as they mature; and (c) Seller has capital sufficient to carry on its businesses.

4.21 No Other Representations or Warranties. Except as expressly set forth in this Article IV, neither Seller nor any other party on Seller's behalf makes any other representation or

warranty, express or implied, at law or in equity, of any nature whatsoever in respect of the Hospital, the Purchased Assets, or any asset, liability or operations (and including that with respect to merchantability or fitness for any particular purpose), and any such other representations or warranties are hereby expressly disclaimed.

ARTICLE V. REPRESENTATIONS AND WARRANTIES OF PURCHASER

As of the date hereof and, except as otherwise expressly provided, as of the Closing, Purchaser represents and warrants to Seller that the statements contained in this Article V are true and correct as of the date hereof and will be true and correct as of the Closing Date.

5.1 Organization and Authorization of Purchaser. Purchaser is a limited liability company duly organized, validly existing and with active status under the laws of the State of Delaware and is duly authorized to transact business in the State of Michigan. Purchaser has the requisite power and authority to enter into this Agreement and the other documents contemplated hereby and thereby, perform its obligations hereunder and thereunder.

5.2 Corporate Authority; Absence of Conflicts with Other Agreements. Purchaser's execution, delivery and performance of this Agreement and the other documents contemplated hereby and thereby to which Purchaser is a party, and the consummation by Purchaser of the transactions contemplated hereby: (a) are within the corporate power of Purchaser, are not in contravention of Law or of the terms of any governing instruments of Purchaser, as appropriate, and have been duly authorized by all appropriate corporate or limited liability company action, as appropriate; (b) will not violate, conflict with or constitute on the part of Purchaser a breach or a default under any existing Law or any agreement, indenture, mortgage or lease to which Purchaser may be subject; and (c) will not violate any order or judgment of any Governmental Entity to which Purchaser may be subject.

5.3 Binding Obligations. This Agreement and any other agreements or instruments to which Purchaser, or its Affiliates will become a party pursuant hereto constitute or will constitute the valid and legally binding obligation of Purchaser or such Affiliates and are or will be enforceable against Purchaser or such Affiliates in accordance with the terms hereof or thereof, except as enforceability against Purchaser or its Affiliates may be restricted or limited by any or all of the Enforceability Exceptions.

5.4 No Broker's Fees. Purchaser has not employed any investment banker, broker, finder, agent or other intermediary in connection with the negotiation or consummation of this Agreement or of any of the transactions contemplated hereby as to which Seller may have any liability.

5.5 Purchaser's Experience and Investigation.

(a) Purchaser has extensive knowledge and experience in financial, regulatory and business matters relating to owning and operating general acute care hospitals. Purchaser has reviewed all information it deems necessary to its satisfaction with respect to the Hospital and the Purchased Assets. Purchaser has relied solely upon its own investigation of the business, assets, risks and prospects of the Hospital and the

Purchased Assets (which it has completed prior to entering into this Agreement) and those express representations and warranties of Seller made in this Agreement or in any instrument or document delivered by Seller pursuant to Section 3.3 hereto. Purchaser acknowledges that neither the Seller nor any of its officers, directors, employees, representatives, Affiliates or agents assumes any responsibility for the accuracy or adequacy of any information heretofore or hereafter furnished to the Purchaser by or on behalf of Seller with respect to the Hospital or the Purchased Assets except as expressly provided in this Agreement and the Disclosure Schedules. Without limiting the generality of the foregoing, Purchaser understands that any cost estimates, projections or other forward-looking information provided to Purchaser by or on behalf of Seller are not and shall not be deemed to be representations and warranties of Seller, except to the extent reflected in the express representations and warranties of Seller made in this Agreement or in any instrument or document delivered by Seller pursuant to Section 3.3. Except with respect to the express representations and warranties of Seller made in this Agreement or in any instrument or document delivered by Seller pursuant to Section 3.3, Purchaser acknowledges that (a) there are uncertainties inherent in attempting to make such estimates, projections and other predictions; (b) Purchaser is familiar with such uncertainties; (c) Purchaser is taking full responsibility for making its own evaluation of the adequacy and accuracy of all estimates, projections or other predictions so furnished to it; and (d) Purchaser shall have no claim against Seller or any of its officers, directors, employees, representatives, Affiliates or agents with respect thereto.

(b) PURCHASER ACKNOWLEDGES THAT, SHOULD THE CLOSING OCCUR, PURCHASER WILL ACQUIRE THE PURCHASED ASSETS WITHOUT ANY EXPRESS, IMPLIED OR STATUTORY REPRESENTATION OR WARRANTY AS TO MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, STRICTLY IN AN "AS IS" CONDITION AND ON A "WHERE IS" BASIS, IN EACH CASE EXCEPT AND ONLY TO THE EXTENT EXPRESSLY PROVIDED OTHERWISE IN THIS AGREEMENT.

5.6 **Sufficiency of Funds.** Purchaser will have sufficient cash on hand or other sources of immediately available funds to enable it to pay the Purchase Price and consummate the transactions contemplated by this Agreement.

5.7 **Solvency.** Purchaser is solvent and will not be rendered insolvent as a result of any of the transactions contemplated by this Agreement. For purposes hereof, the term "solvency" means that: (a) the fair salable value of Purchaser's tangible assets is in excess of the total amount of its liabilities (including for purposes of this definition all liabilities, whether or not reflected on a balance sheet prepared in accordance with generally accepted accounting principles, and whether direct or indirect, fixed or contingent, secured or unsecured, and disputed or undisputed); (b) Purchaser is able to pay its debts or obligations in the ordinary course as they mature; and (c) Purchaser has capital sufficient to carry on its businesses and all businesses which it is about to engage.

ARTICLE VI.
PRE-CLOSING ACTIONS BY SELLER

6.1 **Access.** Seller will permit the officers and authorized representatives and agents of Purchaser (at Purchaser's expense) reasonable access during Hospital's normal business hours to the medical staff, employees and other personnel of the Hospital, and to the Purchased Assets and the books and records of Seller and of the Hospital relating thereto, including the right to inspect the same and conduct audits and verifications thereof, provided however, that: (a) none of the foregoing violates patient or other confidentiality requirements or impairs any other privilege or requirement of confidentiality under law or contract; (b) Purchaser first provides reasonable notice of such access and inspection and conducts the same in such a manner as not to interfere unreasonably with the operation of the Hospital or the conduct of Seller's business; and (c) no such inspections will take place, and no members of the medical staff, employees or other personnel of the Hospital will be contacted by Purchaser, without Purchaser first coordinating such inspection or contact with the Hospital's President and CEO, or her designee(s).

6.2 **Operations.** Prior to Closing, except as listed on Schedule 6.2 or otherwise with Purchaser's prior written approval (not to be unreasonably withheld, conditioned or delayed), Seller will carry on the business of the Hospital in the ordinary course and will not make any material change in the operations of the Hospital except in the ordinary course of Seller's business or with prior written approval from Purchaser. For purposes of this Section 6.2, (a) the termination, dissolution and wind-up of the Partners at Heart program; or (b) the loss of any physician employed, or contracted, by Seller, or an Affiliate, at Hospital, shall not be considered a material change in the operations of the Hospital.

6.3 **Regulatory Approvals.** Prior to Closing, Seller will reasonably cooperate with Purchaser in Purchaser's efforts to obtain, as promptly as practicable, approvals, authorizations and clearances of Governmental Entities required for Purchaser to purchase the Purchased Assets and to obtain all Licenses and Permits required to operate the Hospital as currently operated by Seller and shall use reasonable efforts to obtain, as promptly as practicable, all approvals, authorizations and clearances of Governmental Entities required by Law of Seller to consummate the transactions contemplated hereby, including, but not limited to, approval of the Michigan Department of the Attorney General. Seller shall be apprised of Purchaser's efforts in obtaining such approvals, authorizations and clearances and shall be provided with copies of all correspondence pertaining to requests and applications submitted by Purchaser, and determinations of such by Governmental Entities. Except as otherwise provided by this Agreement, Seller will bear all costs and expenses associated with obtaining all approvals, authorizations and clearances of Governmental Entities (if any) required by Law of Seller or its Affiliates to consummate the transactions contemplated hereby. By way of example only, Seller shall be responsible for its costs and expenses imposed by the Michigan Attorney General for obtaining the approval contemplated by Section 9.6 and submission of Form 855 to CMS as required by Seller.

6.4 **Additional Financial Information.** Within thirty (30) days following the end of each calendar month prior to Closing, Seller will deliver to Purchaser true and complete copies of the Unaudited Balance Sheets and the related unaudited statements of revenues and expenses

of the Hospital (if any) that have been prepared by Seller for each month then ended subsequent to the date of the Financial Statements, which will be prepared in accordance with GAAP.

6.5 Exclusivity. Seller will not, nor will it permit any of its Affiliates to, nor will they authorize or permit any of their respective officers, directors, partners or employees or any investment banker, financial advisor, attorney, accountant or other representative retained by them, or by any of its Affiliates to, initiate, solicit, encourage (by way of furnishing access, non-public information or otherwise), negotiate or take any other action to facilitate any inquiries or the making of any proposal which constitutes, or may reasonably be expected to lead to, any proposal or offer to acquire all or any substantial part of the business or assets of the Hospital, whether by merger, consolidation, purchase of assets, tender offer, joint venture, investment, exchange, lease or otherwise, whether for cash, securities or any other consideration or combination thereof, nor entertain, agree to, endorse, participate in any discussions or negotiations or recommend any such transaction. In the event that Seller, any of its Affiliates or any of their respective officers, directors or partners receives any bona fide proposals or offers contemplated by this Section 6.5, Seller will promptly inform Purchaser of that fact and furnish to Purchaser the specifics thereof. The restriction set forth in this Section 6.5 shall expire upon the termination of this Agreement.

6.6 Supplement to Disclosure Schedules. From time to time prior to the Closing, Seller shall have the right (but not the obligation) to supplement or amend the Disclosure Schedules hereto with respect to any matter hereafter arising or of which it becomes aware after the date hereof (each a "*Schedule Supplement*"), and each such Schedule Supplement shall be deemed to be incorporated into and to supplement and amend the Disclosure Schedules as of the Closing Date; provided, however, that in the event such event, development or occurrence which is the subject of the Schedule Supplement constitutes or relates to something that has had a Hospital Material Adverse Effect, then Purchaser shall have the right to terminate this Agreement for failure to satisfy the closing condition set forth in Section 10.1; provided, further, that if Purchaser has the right to, but does not elect to terminate this Agreement within five (5) Business Days of its receipt of such Schedule Supplement, then Purchaser shall be deemed to have irrevocably waived any right to terminate this Agreement with respect to such matter under any of the conditions set forth in Section 10.1 hereof.

6.7 Closing Conditions. Prior to Closing, Seller shall use reasonable efforts (and, to the extent necessary, will cause its Affiliates to use reasonable efforts) to cause the conditions specified in Articles VI and VIII over which Seller has reasonable control to be satisfied as soon as reasonably practicable, but in any event prior to Closing; provided, however, that Seller shall not be obligated to pay any consideration or initiate legal proceedings to obtain any approval required from a Governmental Entity.

6.8 Consulting Services. In an effort to effectuate a smooth transition between Seller and Purchaser, Seller agrees to engage Prime Healthcare Management, Inc., a Delaware corporation ("*Prime Healthcare*") at no cost to provide consulting services under the terms of this Agreement from the time of the execution of this Agreement until the Closing to allow and aid in improving cost effectiveness, including staffing and patient care quality metrics, consistent with Prime Healthcare's existing policies and protocols. Seller will not unreasonably withhold, condition, or delay implementation of Prime Healthcare's reasonable recommendations that are

consistent with applicable Law and the policies, procedures, rules and regulations of Seller and its sponsor.

**ARTICLE VII.
PRE-CLOSING ACTIONS BY PURCHASER**

7.1 **Regulatory Approvals.** Prior to Closing, Purchaser, as promptly as practicable, shall file all required notices to, and use all reasonable efforts to obtain the transfer or issuance, as the case may be, of all approvals, authorizations and clearances by, Governmental Entities required to purchase the Purchased Assets and to obtain all Licenses and Permits to operate the Hospital as currently operated by Seller. Except as otherwise provided by this Agreement, Purchaser will bear all costs and expenses associated with obtaining all approvals, authorizations and clearances of Governmental Entities (if any) required by Law of Purchaser or its Affiliates to consummate the transactions contemplated hereby. By way of example only, Purchaser shall be responsible for its costs and expenses imposed on Purchaser by the Michigan Attorney General in connection with obtaining the approval contemplated by Section 9.6, Michigan Department of Community Health and Michigan Board of Pharmacy as contemplated by Section 8.4 and submission of Form 855 to CMS as required by Purchaser.

7.2 **Title.**

(a) As soon as reasonably practical after the execution of this Agreement, Purchaser shall (i) request a preliminary title report (“PTR”) and all underlying documents from the Title Company and (ii) order and obtain at Purchaser’s sole cost an as-built ALTA Survey (the “Survey”) of the Real Property acceptable to the Title Company for purposes of deleting the standard survey exception and deliver complete copies of the PTR, underlying documents and the Survey thereof to Seller. Within ten (10) Business Days after Purchaser’s receipt of the PTR, legible copies of all underlying documents, and the Survey and the delivery of copies thereof to Seller (the “Approval Date”), Purchaser shall provide written notice to Seller of whether Purchaser approves or disapproves the PTR and the underlying documents and the Survey.

(b) Purchaser shall notify Seller in writing by the Approval Date of its disapproval of any defects, exceptions, liens, encroachments or encumbrances other than the Permitted Encumbrances shown in the PTR or in the related Survey. Any exceptions or defects not so disapproved by Purchaser in writing by the Approval Date shall be deemed Permitted Encumbrances.

(c) In the event of Purchaser’s disapproval of any material exceptions or material defects shown on the PTR or Survey, pursuant to this Section 7.2(c), Seller shall have ten (10) Business Days after receipt of Purchaser’s objections to give Purchaser written notice either that (i) Seller has removed any objectionable exceptions from title and provide Purchaser with evidence satisfactory to Purchaser of such removal or provide Purchaser with evidence reasonably satisfactory to Purchaser that said exceptions will be removed on or before the Closing Date, or (ii) Seller is unwilling to cause such exceptions to be removed. Seller shall have no obligation to remove or cause the Title Company to insure over the Permitted Exceptions or any of Purchaser’s objections to title

other than mortgages or deeds of trust granted by Seller, delinquent taxes and assessments relating to the period of Seller's ownership of the Real Property, judgment liens granted against Seller, and mechanic's liens arising from work performed by Seller or at Seller's direction.

(d) If Seller gives Purchaser notice under Section 7.2(c) above, Purchaser shall have five (5) Business Days to give Seller written notice of Purchaser's intent to either (i) proceed with the purchase and take the Real Property subject to such exceptions; or (ii) in the event Seller is unwilling to cause such exceptions to be removed as provided in Section 7.2(c) (ii) above, terminate this Agreement by written notice to Seller, whereupon this Agreement will be null and void, provided that to terminate this Agreement as provided herein, such rejected exceptions must materially and adversely affect Purchaser's right or ability to operate the Hospital after the Closing Date. The premium for issuance of the Title Policy shall be paid by Purchaser. If Purchaser shall fail to give Seller such notice within said five (5) Business Days, Purchaser shall be deemed to have elected to proceed with the purchase and take the Real Property subject to such exceptions.

7.3 Closing Conditions. Prior to Closing, Purchaser will use reasonable efforts to cause the conditions specified in Articles VIII and IX over which Purchaser has reasonable control to be satisfied as soon as reasonably practicable, but in any event prior to Closing.

ARTICLE VIII. CONDITIONS PRECEDENT TO PURCHASER'S OBLIGATIONS

The obligations of Purchaser hereunder are subject to satisfaction, on or before the Closing Date, of all of the conditions precedent set forth in this Article VIII, any of which may be waived in writing by Purchaser.

8.1 Representations and Warranties. The representations and warranties of Seller contained in this Agreement will be true and correct in all material respects on and as of the date hereof and as of the Closing Date, except to the extent such representations and warranties that speak only as of an earlier date (in which case they shall be true and correct in all material respects as of such date), and except where the failure of such representations and warranties to be so true and correct would not, individually or in the aggregate, have a Hospital Material Adverse Effect. In the event that there are breaches of representations and warranties made by Seller hereunder that have not had or are not reasonably likely to have a Hospital Material Adverse Effect (a) Purchaser shall not be excused from performance hereunder as a result of such breaches and shall be obligated to complete the transaction described herein, and (b) Purchaser shall not assert the breach of such representations and warranties as a basis for not consummating the transaction contemplated by this Agreement. The sole remedy of Purchaser for breaches of representations and warranties that constitute a Hospital Material Adverse Effect is set forth in Section 10.1.

8.2 Performance of Covenants. Seller shall have in all material respects performed all obligations and complied with all covenants and conditions required by this Agreement to be performed or complied with by it at or prior to the Closing Date; provided that this condition will

be deemed to be satisfied unless both (a) Seller is given written notice of such failure to perform or comply and did not or could not cure such failure to perform or comply within fifteen (15) Business Days after receipt of such notice, and (b) the respects in which such covenants and obligations have not been performed have had or are reasonably likely to have a Hospital Material Adverse Effect.

8.3 **Actions or Proceedings.** No order, ruling or judgment of any Governmental Entity will remain in effect which restrains, enjoins and/or otherwise prohibits the completion of the transactions contemplated hereby. As of the Closing Date, no action or proceeding before any Governmental Entity shall have been instituted and remain in effect which seeks to restrain or prohibit the transactions contemplated hereby.

8.4 **Approvals by Governmental Entities; Licenses and Permits.** The Parties shall have received documentation, assurances, or other satisfactory evidence from all Governmental Entities, that all Licenses and Permits required by Law to operate the Hospital in the ordinary course of business subsequent to the Closing Date, including, without limitation, all CONs necessary to transfer the Hospital to Purchaser shall have been obtained or otherwise mutually addressed by Purchaser and Seller in a separate agreement.

8.5 **Title Matters.** Subject to Section 7.2, Purchaser shall have approved in writing the PTR issued by the Title Company.

8.6 **No Hospital Material Adverse Effect.** There shall not have been a Hospital Material Adverse Effect that has not been corrected.

8.7 **Other Instruments and Documents.** Seller shall have delivered to Purchaser each of the instruments, documents, agreements, certificates and deliverables required to be delivered by it pursuant to Section 3.3 and such other customary instruments of transfer, assumption, filings or documents, in form and substance reasonably satisfactory to Purchaser as may be required to give effect to this Agreement.

ARTICLE IX. CONDITIONS PRECEDENT TO SELLER'S OBLIGATIONS

The obligations of Seller hereunder are subject to satisfaction on or before the Closing Date, of all of the conditions precedent set forth in this Article IX, any of which may be waived in writing by Seller.

9.1 **Representations and Warranties.** The representations and warranties of Purchaser contained in this Agreement will be true and correct in all material respects on and as of the Closing Date, except to the extent such representations and warranties that speak only as of an earlier date (in which case they shall be true and correct in all material respects as of such date), and except where the failure of such representations and warranties to be so true and correct would not, individually or in the aggregate, have a Purchaser Material Adverse Effect.

9.2 **Performance of Covenants.** Purchaser shall have in all material respects performed all obligations and complied with all covenants and conditions required by this Agreement to be performed or complied with by it at or prior to the Closing Date; provided that

this condition will be deemed to be satisfied unless both (a) Purchaser was given written notice of such failure to perform or comply and did not or could not cure such failure to perform or comply within fifteen (15) Business Days after receipt of such notice, and (b) the respects in which such covenants and obligations have not been performed have had a material adverse effect on the ability of Purchaser to timely consummate the transactions described herein.

9.3 **Actions or Proceedings.** No order, ruling, or judgment of any Governmental Entity will remain in effect which restrains, enjoins and/or otherwise prohibits the completion of the transactions contemplated hereby. As of the Closing Date, no action or proceeding before any Governmental Entity shall have been instituted and remain in effect which seeks to restrain or prohibit the transactions contemplated hereby.

9.4 **Approvals by Governmental Entities; Licenses and Permits.** The Parties shall have received documentation, assurances, or other satisfactory evidence from all Governmental Entities, that all Licenses and Permits required by Law to operate the Hospital in the ordinary course of business subsequent to the Closing Date, including, without limitation, all CONs necessary to transfer the Hospital to Purchaser shall have been obtained or otherwise mutually addressed by Purchaser and Seller in a separate agreement.

9.5 **Other Instruments and Documents.** Purchaser will have delivered to Seller each of the instruments, documents, agreements, certificates and deliverables required to be delivered to it pursuant to Section 3.2 and such other customary instruments of transfer, assumption, filings or documents, in form and substance reasonably satisfactory to Seller as may be required to give effect to this Agreement.

9.6 **Approval by Michigan Attorney General.** The transaction contemplated pursuant to this Agreement shall have been approved and/or otherwise consented to in writing by the Charitable Trust Division of the Michigan Department of Attorney General.

9.7 **Corporate Approvals.** The receipt of all corporate approvals necessary to effectuate this Agreement and the transactions contemplated by this Agreement has been obtained by Seller.

9.8 **Canonical Approvals.** The receipt of all canonical approvals for Seller to consummate the transactions contemplated by this Agreement shall have been received.

ARTICLE X. TERMINATION

10.1 **Termination.** This Agreement may be terminated and the transactions contemplated hereby abandoned prior to the Closing (a) upon the mutual written consent of Purchaser and Seller; (b) by either Purchaser or Seller if Closing shall not have occurred on or before December 31, 2015, provided that the party electing to terminate this Agreement shall not then be in breach of this Agreement and shall have used all reasonable and good faith efforts to close the transaction; (c) by either Purchaser or Seller in the event that (i) there shall be any Law that makes consummation of the transactions contemplated by this Agreement illegal or otherwise prohibited, or (ii) any Governmental Entity shall have issued an order restraining or enjoining the transactions contemplated by this Agreement, and such order shall have become

final and non-appealable; (d) by Purchaser, if (without any breach by Purchaser of any of its obligations hereunder) compliance with any condition set forth in Article VIII becomes impossible, and such failure of compliance is not waived by Purchaser; (e) by Seller, if (without any breach by Seller of any of its obligations hereunder) compliance with any condition set forth in Article IX becomes impossible, and such failure of compliance is not waived by Seller; or (f) by Purchaser pursuant to the terms of Sections 2.6(b) or 7.2(d).

10.2 Effect of Termination. In the event of any termination of this Agreement, as provided by Section 10.1, this Agreement will thereupon become void and of no effect, no party will have any liability to any other party arising out of such termination, and no party will have any further rights or obligations hereunder, except for the obligations of the parties contained in this Section 10.2 and in Section 12.6 (Confidentiality), Section 12.7 (Costs of Transaction), Section 13.1 (Notice), Section 13.3 (Governing Law), Section 13.4 (Public Disclosure) and Section 13.10 (Entire Agreement) and any related definitional provisions set forth in this Agreement.

ARTICLE XI. REMEDIES; DAMAGES LIMITED

11.1 No Survival Period. The parties intend to shorten the statute of limitations and agree that no claims or causes of action may be brought (a) at any time against the Seller based upon, directly or indirectly, any of the representations or warranties contained in this Agreement or, (b) after the Closing or any termination of this Agreement, based upon, directly or indirectly, any agreements contained in Articles VI or VII. None of the covenants or other agreements contained in this Agreement shall survive the Effective Time other than those which by their terms contemplate performance after the Effective Time, including, without limitation those set forth in Article XII, and each such surviving covenant and agreement shall survive the Effective Time for the period contemplated by its terms.

11.2 Limitation on Damages. NOTWITHSTANDING ANYTHING TO THE CONTRARY ELSEWHERE IN THIS AGREEMENT, NO PARTY TO THIS AGREEMENT (OR ANY OF ITS AFFILIATES) SHALL, IN ANY EVENT, BE LIABLE TO THE OTHER PARTY (OR ANY OF ITS AFFILIATES) FOR SPECIAL, CONSEQUENTIAL, PUNITIVE, EXEMPLARY OR INDIRECT DAMAGES, COSTS, EXPENSES, CHARGES OR CLAIMS.

11.3 Specific Performance. Notwithstanding the right of each party to terminate this Agreement pursuant to Section 10.1, in the event of a breach by either party of its obligation to consummate the transactions contemplated by this Agreement or a breach by either party of a covenant prior to or following the Closing, the non-breaching party shall be entitled to specific performance to force the breaching party to consummate the transactions contemplated by this Agreement or to enforce the covenant, such relief to be without the necessity of posting a bond, cash or otherwise (unless required by applicable Law).

**ARTICLE XII.
FURTHER COVENANTS**

12.1 Certain Employee Matters.

(a) Immediately prior to the Closing and except as otherwise mutually agreed by the parties, Purchaser shall offer to employ, on an “*at will*” basis, all of the employees of Seller who are assigned to the operations of Hospital, and who are eligible to be hired upon satisfactory completion of Purchaser’s customary pre-employment screening procedures as set forth on Schedule 12.1(a)-1, as of the Closing Date, including employees on vacation, paid time off, family leave, military leave, short-term disability or other types of leave (excluding employees with employment agreements, which Purchaser shall assume) in positions and at compensation levels consistent with those being provided by Seller immediately prior to Closing. All such employees who accept the Purchaser’s offer of employment shall be referred to herein each as a “*Hired Employee*” and, collectively, as the “*Hired Employees*”. The Purchaser will ensure that the level of benefits of each of the Hired Employees immediately following the Closing is comparable, in the aggregate, to those provided the Hired Employee immediately preceding the Closing. Notwithstanding the foregoing, an employee who is on a short-term or long-term disability leave, military leave or other authorized leave of absence as of the date immediately prior to the Effective Time is not required to be employed by Purchaser as of the Effective Time but any right to re-employment of such an employee pursuant to the terms of this Agreement or Law shall be the obligation of Purchaser or an Affiliate of Purchaser (as applicable) and such individuals shall become Hired Employees as of the date they return to work prior to the expiration of their authorized leave or the last date required by Law. Schedule 12.1(a)-2 provides a list of employees of Seller who are on short-term or long-term disability or on leave of absence pursuant to the Seller’s policies or Law (each, an “*Inactive Employee*” and collectively “*Inactive Employees*”), provides the date such absence began, and provides the date, if known, that the employee is expected to return to work. The list of Inactive Employees on Schedule 12.1(a)-2 will be updated as of the Effective Time. In the event that a Hired Employee is terminated without cause within one (1) year after the Effective Time, Purchaser, or an Affiliate of Purchaser, as applicable, shall provide severance benefits to such terminated Hired Employee on terms consistent with the Purchaser severance benefits plan or policy as amended from time to time or the CHE Trinity Inc. Severance Pay Plan as in effect on the Closing Date, whichever would provide the better benefits.

(b) Purchaser shall give credit to all Hired Employees for their respective paid time off and unused holidays accrued through the Effective Time. Notwithstanding the foregoing, Purchaser shall have the right to amend or modify the future accrual of such benefits after the Effective Time, provided that any change to such benefits is consistent with the level of paid leave benefits provided to other similarly situated employees of Purchaser.

(c) With respect to any employee benefit plan maintained by Purchaser or an Affiliate of Purchaser (collectively, “*Purchaser Benefit Plans*”) for the benefit of any Hired Employee, effective as of the Effective Time (or such later time as an Inactive

Employee may become a Hired Employee), Purchaser shall, or shall cause its Affiliate to, recognize all service of the Hired Employees with Seller or an Affiliate of Seller, as if such service were with Purchaser, for vesting, eligibility and accrual purposes (other than accrual under any defined benefit pension plan) with no gaps in coverage. For purposes of determining eligibility for medical, dental, vision, and group term life insurance coverage and the amount or level of paid time off, vacation, and sick leave time to which a Hired Employee is entitled, Purchaser or an Affiliate of Purchaser will recognize the existing seniority of Hired Employees in effect at the Effective Time (or such later time as an Inactive Employee may become a Hired Employee), and provide prior service credit for the Hired Employees' period of service for Seller or an Affiliate of Seller as of the Effective Time. Notwithstanding the foregoing, such service credit will be granted only to the extent service with Purchaser or a Purchaser Affiliate is recognized under any such plan, program, policy or arrangement, and will not be granted to the extent doing so would result in duplicative benefits to a Hired Employee for the same period of service, or to the extent such service is prior to a specific date before which service would not have been credited for other employees under the Purchaser Benefit Plans. In addition, the Purchaser Benefit Plans will waive pre-existing condition limitations which might otherwise apply to a Hired Employee, except to the extent a Hired Employee had not satisfied such limitations under the welfare benefit plans maintained by Seller or an Affiliate of Seller, as the case may be, as of the Effective Time. The Purchaser Benefit Plans shall also credit, if legally and contractually permissible, each Hired Employee and his or her covered dependents with year to date deductibles and out-of-pocket expenses incurred under any medical, dental or similar health insurance or health benefit plan maintained at the Effective Time by Seller or a Seller Affiliate, as the case may be, toward satisfaction of applicable deductibles and out-of-pocket expenses under a Purchaser Benefit Plan providing medical, dental or similar health benefits, as the case may be. Purchaser shall provide, or shall cause to be provided, COBRA continuation coverage (or any other Law equivalent) solely to a Hired Employee (and such individual's qualified beneficiaries) whose qualifying event (as defined by Treasury Regulation Section 54.4980B-4) occurs on or after the Effective Time. Seller shall provide, or shall cause to be provided, COBRA continuation coverage (or any other Law equivalent) to any other individual whose qualifying event occurs prior to the Effective Time or occurs in connection with this Agreement.

(d) As soon as practicable following the Effective Time, Seller or its Affiliates shall permit the Hired Employees to be treated as having severed employment for purposes of being entitled to a distribution from any Code Section 403(b) or 401(k) savings plan and to permit any such Hired Employee to elect to receive a distribution or to rollover his or her account balance in such savings plan to a Purchaser Benefit Plan if the Purchaser Benefit Plan permits such a rollover, that is a similar tax-qualified savings plan (including a transfer of outstanding participant loans in-kind, if the Purchaser Benefit Plan will accept a rollover of a plan loan in-kind) or to any other plan or account eligible to receive a rollover distribution, all in accordance with the terms of Seller's or its Affiliate's savings plan, and in compliance with the applicable requirements of Section 403(b) or 401(k) of the Code. The names of Hired Employees who have loans and amounts of such loans as of a date not more than ninety (90) days prior to the Effective Time under any such Benefit Plan of Seller or its Affiliates are set forth in

Schedule 12.1(d) of the Disclosure Schedules, and, to the extent permitted by Seller's Benefit Plans, such loans will not become due as of the Effective Time.

(e) In addition, the Hired Employees shall be credited under the health care flexible spending account and dependent care flexible spending account portion of a Purchase Benefit Plan that is a Code Section 125 plan with the amounts available for reimbursement under the health care flexible spending account and dependent care flexible spending account portion of Seller's or its Affiliate's Code Section 125 plan equal to such positive or negative amounts as were credited for the plan year under which such flexible spending accounts with respect to such person immediately prior to the Effective Time ("Assumed Section 125 Plan Balance"), subject to provision of documentation supporting such amounts being provided to Purchaser and payment to Purchaser of any net positive balance of all such Hired Employees assumed Section 125 Plan Balanced in the aggregate. Purchaser shall honor and give effect under its Code Section 125 plan to any health care flexible spending account and dependent care flexible spending account elections made by Hired Employees under Seller's or its Affiliate's Code Section 125 plan for the plan year in which the Effective Time occurs, except as such elections may be superseded by an election made by a Hired Employee following the Effective Time pursuant to the terms of the Purchaser's Section 125 plan.

(f) This Section 12.1 shall be binding upon and inure solely to the benefit of each of the Parties to this Agreement, and nothing in this Section 12.1, express or implied, shall confer upon any other person, including but not limited to any Hired Employee, any rights or remedies of any nature whatsoever under or by reason of this Section 12.1.

(g) After the Effective Time Purchaser shall continue to withhold funds from the wages of any Hired Employees with respect to any garnishment agreements relating to the Hired Employees and remit to recipients such funds in accordance with the garnishment agreements, including any garnishment agreements between Seller and the Hired Employees.

(h) Subject to review of the agreements, Purchaser will assume and honor employment agreements entered into prior to the Closing Date so long as they were entered into in the ordinary course of business and provide for compensation and other benefits which are within industry norms.

(i) Effective as of the Effective Time, Seller shall cease to serve and Purchaser shall commence to serve as the sponsoring and petitioning employer for U.S. immigration law purposes with respect to the Hired Employees. As a result, Purchaser shall therefore assume all immigration-related obligations and liabilities that have arisen or will hereafter arise in connection with the submission of petitions, applications or other filings to certain bureaus within the U.S. Department of Homeland Security (U.S. Citizenship and Immigration Services, Immigration and Customs Enforcement, and Customs and Border Protection), the U.S. Department of Labor or the U.S. Department of State (including any U.S. embassy or consular post) requesting the grant of employment-based nonimmigrant and immigrant visa benefits on behalf of the Hired Employees.

Seller and Purchaser intend that Purchaser (by hiring the Hired Employees formerly employed by Seller, and agreeing, as a sponsoring employer, to assume the immigration-related obligations and liabilities described above) shall be considered the successor in interest to the Seller solely and exclusively for purposes of the obligations and liabilities related to the employment of the such workers.

(j) Unless otherwise mutually agreed by the parties, Purchaser agrees that the Hired Employees will include, but not be limited to, the current Chief Executive Officer of the Hospital, and other employees of an Affiliate of Seller, who may be employed directly by such Affiliate of Seller, rather than by Seller but who provide services to Hospital as listed in Schedule 12.1(i) hereto.

(k) In connection with the transfer to Purchaser of the mutually agreed upon personnel files of the Hired Employees, Purchaser agrees to comply with the requirements of Law regarding the disclosure to third parties of employee personnel files and to provide notice to all Hired Employees of the disclosure by Seller to Purchaser of the file information and/or to secure a waiver of such notice from each Hired Employee in the employment application forms completed by such employees for Purchaser. Further the Purchaser agrees to indemnify and hold the Seller and its Affiliates harmless with respect to any and all liability, including penalties and fines, damages of any kind, reasonable attorneys' fees and costs, resulting from or associated with any claims, causes of action, charges or other actions related to the disclosure and transfer of the Seller's personnel records for the Hired Employees to the Purchaser.

12.2 Medical Staff. Immediately following the Closing, there will be no change or modification to the current medical staff membership of, or staff privileges for, physicians in good standing on the medical staff of the Hospital; provided, however, that the consummation of the transactions contemplated hereby will not limit the ability of the governing body or medical executive committee of the Hospital to grant, withhold or suspend medical staff appointments or clinical privileges in accordance with the terms and provisions of the medical staff by laws of the Hospital. More particularly, in order to ensure a smooth transition for the medical staff of the Hospital, Purchaser shall cause the governing body of the Hospital to take the following actions (and will not unilaterally make, or cause the governing body of the Hospital to unilaterally make, changes or modifications to such actions for a period of one (1) year after the Effective Time) to be effective on and after the Effective Time: (a) appoint all of the physicians who are on the medical staff of the Hospital immediately prior to the Closing to the medical staff, in their then-current categories; (b) grant all of such physicians their then current clinical privileges; (c) establish the same medical staff sections and departments as were established by Seller and were in effect immediately prior to Closing; (d) appoint to the positions of Chiefs and Assistance Chiefs of Section and Department Chairmen the physicians who hold the positions immediately prior to the Closing; (e) take no action to change any of the staff committees or their functions that existed immediately prior to the Closing; (f) take no action to change any of the staff officers or committee members who held those positions immediately prior to the Closing; (g) adopt the then current bylaws and incorporated documents, rules, and regulations of the medical staff of the Hospital to the extent consistent with Law; and (h) adopt the then currently proposed changes to the bylaws and incorporated documents, rules, and regulations of the medical staff, if then approved by the Hospital's medical staff.

12.3 Capital Commitment. During the three (3) year period immediately following the Closing, Purchaser will make or cause to be made capital expenditures for the benefit of the Hospital in an amount not less than Twenty Million Dollars (\$20,000,000) (the “*Capital Commitment Amount*”). For purposes of the Capital Commitment Amount, expenditures for capital improvements shall include expenditures for physician recruitment and retention, increasing the number and scope of medical service offerings, investments in information systems, new equipment (purchased or leased), facilities repair and maintenance spending (excluding routine operating costs), facility renovations, new facilities, new or renovated medical office space, information systems and other capital improvements. Such expenditures for capital improvements for which the Capital Commitment Amount may be expended shall be subject to the prior review and approval of the advisory board for the Hospital, as defined in Section 12.11.

12.4 Cost Reports.
