Hello is Martha there?

Speaking

Hi this is Brent Rabi calling back on behalf of the Michigan Fraternal Order of Police with Corporations for Character again. This call may be recorded for quality control purposes and you know I'll be quick.

You might remember the reason for my call is that this time we're back helping the brave men and women officers serving our streets. And we'll be sending out the new decals to all supporting residents. Now aside from operational fundraising expenses, this year your support will go towards many important programs including the general welfare of the lodge in support of their local charities.

As well as the death benefit fund to support the families of officers who have been injured or killed in the line of duty. As always anything we can do for them. And I'm sure you guessed it, it is that time of the year. So when you receive your pledge kit and decal can these member officers count on your support with a little something. Is that ok?

Right now I just got out of the hospital.

No problem, no problem. As you know it's not about how much you give it's that we all pitch in to help. So we have this smaller pledge goes out for just twenty-five dollars and still goes a long way. Could they at least count on you for that?

I don't know. I'll see.

Oh, I'm sorry, what was that?

I don't know. I'll see. I just got out of the hospital, and I don't even know too much about anything like that.

Ok no problem. Let me just mention this and if it doesn't work it's fine just let me know. So why don't we put you down for a community booster of only fifteen dollars and if you want to change that one once you receive it that is fine. That way you can at least get involved in helping. That way you could at least get involved with...

Ok, would you please hurry up, please please, please, please

Great, great. Now are you one hundred percent comfortable with the fifteen dollar donation?

I heard ya. I heard ya.

I was just asking if you were one hundred percent comfortable with the fifteen dollar donation.

I heard you. If you not please I'm hanging up because I'm very ill. And all this talking is getting on my...

Ok I'm sorry.

Ok.

Wonderful. Now just a couple of quick things in finishing. First to make sure I have everything absolutely perfect. I was just asking could I get your first name and could you spell your last name for me to make sure I get that right?
