

# MASWALI YANAYOULIZWA SANA YA CHANJO YA COVID-19

[Michigan.gov/COVIDvaccine](https://Michigan.gov/COVIDvaccine)

## **Je, wanawake wajawazito wanaweza kupata chanjo ya COVID-19?**

Ndiyo. Wanawake wajawazito (na wanawake wanaopanga kuwa wajawazito) wanaweza kupata chanjo mapema kadri wanavyostahiki. Hata hivyo, CDC inashauri kumwona mtoa huduma za afya kwa msaada utakaokuwezesha kufanya maamuzi mazuri.
