NOTE: This listing may not include all companies that provide medical waste disposal services. Any facility that hauls and stores medical waste in transit at any location in Michigan must have a current registration on file for medical waste collected at any site in Michigan and not restricted to transit only. A facility with a transit or storage facility in Michigan that fails to register shall have their business removed from this listing until registration has been obtained and is current.

The Michigan Department of Environment, Great Lakes, and Energy (EGLE) provides this listing of medical waste disposal services solely as reference material only. Listing of the company does not constitute an endorsement of the company and its services by EGLE or any other state of Michigan agency.
