Administrative Segregation Report

March 30, 2026

REPORT TO THE LEGISLATURE
Pursuant to P.A. 22 of 2025
Article 2, Section 710
Administrative Segregation Report

Section 710: *(1) From the funds appropriated in part 1, the department shall report not later than March 1 on the annual number of prisoners during the previous fiscal year in administrative segregation and, of those, the number who at any time during the current or prior prison term were diagnosed with serious mental illness or have a developmental disorder and the number of days each of the prisoners with serious mental illness or a developmental disorder have been confined to administrative segregation.*

(2) The report required in subsection (1) must include a chart listing the number of prisoners housed in administrative segregation for each of the following time periods:

(a) A continuous period exceeding 3 months but less than 6 months,

(b) A continuous period exceeding 6 months but less than 12 months.

(c) A continuous period exceeding 12 months or longer.

(3) For any prisoner housed in administrative segregation for 12 months or longer, an explanation of the circumstances surrounding the prisoner's placement in administrative segregation.

The effective use of Administrative Segregation is a key element of operating safe and humane correctional facilities. The Michigan Department of Corrections (MDOC) has focused on the dual goals of ensuring this capacity is available for individuals who present a risk to other incarcerated individuals and staff, while ensuring consistency in use, proper monitoring and the availability of effective and safe alternatives to segregation.

Table 1 – Total Number of Days or Daily Average Number of Prisoners in Administrative Segregation

Fiscal Year	All Prisoners in Administrative Segregation		Prisoners w/ Serious Mental Illness or Developmental Disorder in Administrative Segregation	
	Total Number of Days	Daily Average Number of Prisoners	Total Number of Days	Daily Average Number of Prisoners
2024	124,167	339	3,722	10.2
2025	102,395	281	4,970	13.6

Table 2 – Number of Prisoners Housed in Administrative Segregation During a Continuous Time Period

Fiscal Year	More Than 3 Months to 6 Months	More Than 6 Months to Less Than 12 Months	12 Months or Longer
2024	372	151	84
2025	252	140	73

Table 3 – Explanation of Circumstances for Prisoners Housed in Administrative Segregation for 12 Months or Longer

Case Number	Explanation of Circumstances for Prisoners Housed in Administrative Segregation for 12 Months or Longer
1	Prisoner was classified to administrative segregation for assaulting staff. Prisoner was released from administrative segregation to participate in the Structured Alternative to Administrative Segregation (START) program.
2	Prisoner was classified to administrative segregation for assaulting staff. Prisoner was released from administrative segregation as a period of positive behavior was demonstrated.
3	Prisoner was classified to administrative segregation for assaulting an employee. Segregation reviews have been conducted. Prisoner is not responsive in any security classification committee reviews with housing unit staff nor the Assistant Deputy Director. Several unsuccessful annual Assistant Deputy Director Reviews were attempted several times throughout the year. Prisoner remains in administrative segregation.
4	Prisoner was classified to administrative segregation for assaulting staff. Prisoner was released from administrative segregation for remaining misconduct free.
5	Prisoner was classified to administrative segregation for assaulting staff and possession of a weapon. Prisoner was released from administrative segregation once a period of positive behavior was demonstrated.
6	Prisoner was classified to administrative segregation for an attempted escape. Prisoner was released from administrative segregation for remaining misconduct free and monitored behavior was adjusted.
7	Prisoner was classified to administrative segregation for staff homicide. Prisoner remains in administrative segregation for a longer period of positive adjustment.

Case Number	Explanation of Circumstances for Prisoners Housed in Administrative Segregation for 12 Months or Longer
8	Prisoner was classified to administrative segregation for an attempted escape. Prisoner remains in administrative segregation for a longer period of positive adjustment.
9	Prisoner was classified to administrative segregation for assaulting staff. Prisoner remained in administrative segregation due to continued guilty misconduct findings. Prisoner has been released to general population.
10	Prisoner was classified to administrative segregation for assaulting another prisoner. Prisoner remains in administrative segregation for a longer period of positive adjustment.
11	Prisoner was classified to administrative segregation for a staff homicide. Prisoner remains in administrative segregation for a longer period of positive adjustment.
12	Prisoner was classified to administrative segregation for assaulting staff. Prisoner was released from administrative segregation for remaining misconduct free.
13	Prisoner was classified to administrative segregation for threatening staff. Prisoner was released from administrative segregation after being ticket free for over a year.
14	Prisoner was classified to administrative segregation for assaulting staff. Prisoner was released from administrative segregation for remaining misconduct free and a period of positive behavior was demonstrated.
15	Prisoner was classified to administrative segregation due to an attempted escape. Placement continued due to the severity of the misconduct and prisoner continued to receive theft misconducts.
16	Prisoner was classified to administrative segregation for threatening staff. Prisoner was released from administrative segregation to participate in the Structured Alternative to Administrative Segregation (START) program.
17	Prisoner in administrative segregation for assaulting a prisoner with a weapon. Prisoner remains in administrative segregation for a longer period to monitor behavior.
18	Prisoner was classified to administrative segregation for assaulting staff. Prisoner remains in administrative segregation for continuing to receive misconducts and a longer period of positive adjustment is needed.

Case Number	Explanation of Circumstances for Prisoners Housed in Administrative Segregation for 12 Months or Longer
19	Prisoner was classified to administrative segregation for assaulting staff. Prisoner maintained positive interactions with employees and remained misconduct free releasing the prisoner to general population.
20	Prisoner was classified to administrative segregation for assaulting staff and starting a fire. Prisoner was released from administrative segregation as a period of positive behavior was demonstrated.
21	Prisoner was classified to administrative segregation for fighting with another prisoner. Prisoner remains in administrative segregation for a longer period of positive adjustment.
22	Prisoner was classified to administrative segregation for assaulting staff. Prisoner was released from administrative segregation into a high-level general population for restricted movement.
23	Prisoner was classified to administrative segregation for assaulting staff. Prisoner was released from administrative segregation once a period of positive behavior was demonstrated.
24	Prisoner was classified to administrative segregation for homicide while incarcerated. Prisoner remained in administrative segregation due to suggestion of engaging in similar behavior if released. Prisoner was released to general population Structured Alternative to Administrative Segregation (START) program on and has remained in general population since.
25	Prisoner was classified to administrative segregation for stabbing another prisoner. Prisoner was released from administrative segregation after monitored behavior was adjusted.
26	Prisoner in administrative segregation due to inability to be managed with general population privileges. Prisoner refused a direct order to reclass to general population. Prisoner was discharged directly from administrative segregation.
27	Prisoner was classified to administrative segregation for an attempted escape. Prisoner was released from administrative segregation for remaining misconduct free and monitored behavior was adjusted.
28	Prisoner was classified to administrative segregation for assaulting staff. Prisoner was released from administrative segregation for remaining misconduct free.
29	Prisoner was classified to administrative segregation for threatening staff and starting a fire in his cell. Prisoner was released from administrative segregation for remaining misconduct free.

Case Number	Explanation of Circumstances for Prisoners Housed in Administrative Segregation for 12 Months or Longer
30	Prisoner was classified to administrative segregation for assaulting staff. Prisoner was released from administrative segregation once a period of positive behavior was demonstrated.
31	Prisoner was classified to administrative segregation for assaulting staff and possession of a weapon. Prisoner continued to receive misconducts but was released from administrative segregation into a high-level general population where movement is restricted and behavior could still be monitored.
32	Prisoner was classified to administrative segregation for assaulting staff. Prisoner was released from administrative segregation once a period of positive behavior was demonstrated.
33	Prisoner was classified to administrative segregation for assaulting staff. Prisoner remains in administrative segregation for a longer period of positive adjustment.
34	Prisoner was classified to administrative segregation for assaulting staff. Prisoner remains in administrative segregation due continuing to receive misconducts.
35	Prisoner was classified to administrative segregation for assaulting staff. Prisoner was released from administrative segregation into a high-level general population where movement is restricted and behavior could still be monitored.
36	Prisoner was classified to administrative segregation for an attempted escape. Prisoner was released from administrative segregation into a high-level general population where movement is restricted and behavior could still be monitored.
37	Prisoner was classified to administrative segregation for possession of a weapon. Prisoner was released from administrative segregation for remaining misconduct free and a period of positive behavior was demonstrated.
38	Prisoner was classified to administrative segregation after attempting to throw items over the fence. After an annual security classification committee review, prisoner was released from administrative segregation into a high-level general population where movement is restricted and behavior could still be monitored.
39	Prisoner was classified to administrative segregation for striking staff. Prisoner continued receiving class I misconducts. Prisoner was released from administrative segregation once they demonstrated a longer period of positive adjustment.

Case Number	Explanation of Circumstances for Prisoners Housed in Administrative Segregation for 12 Months or Longer
40	Prisoner was classified to administrative segregation for providing a weapon to a prisoner who assaulted staff. Prisoner remains in administrative segregation due to continued assaultive behavior toward staff.
41	Prisoner was classified to administrative segregation for threatening staff. Prisoner remained in administrative segregation for continued misconducts. Prisoner was reclassified to general population for remaining misconduct free and to participate in the Intensive Institutional Segregation Program (IISP).
42	Prisoner was classified to administrative segregation for striking staff. Prisoner remained assaultive with staff and prisoners. Prisoner was released from administrative segregation once they demonstrated a longer period of positive behaviors.
43	Prisoner was classified to administrative segregation for assaulting staff with a weapon. Prisoner was approved for the Structured Alternative to Administrative Segregation (START) program.
44	Prisoner was classified to administrative segregation for assaulting another prisoner. Prisoner was released from administrative segregation for remaining misconduct free.
45	Prisoner was classified to administrative segregation due to fighting and possession of a weapon. Prisoner was released from administrative segregation to participate in the Structured Alternative to Administrative Segregation (START) program.
46	Prisoner classified to administrative segregation for assaulting an employee. Prisoner remains in segregation due to prisoner continuing to engage in behaviors resulting in class I misconducts.
47	Prisoner was classified to administrative segregation for assaulting another prisoner and possession of a weapon. Prisoner remains in administrative segregation due to continuing to receive misconducts.
48	Prisoner was classified to administrative segregation for assaulting a prisoner. Prisoner was released from administrative segregation to participate in the Structured Alternative to Administrative Segregation (START) program.
49	Prisoner classified to administrative segregation for homicide. Prisoner was released from administrative segregation and has remained in general population since.
50	Prisoner was classified to administrative segregation for assaulting staff. Prisoner was released from administrative segregation once they demonstrated a period of positive behavior.

Case Number	Explanation of Circumstances for Prisoners Housed in Administrative Segregation for 12 Months or Longer
51	Prisoner was classified to administrative segregation for assaulting staff and possession of a weapon. Prisoner was released from administrative segregation once a period of positive behavior was demonstrated.
52	Prisoner was classified to administrative segregation for assaulting staff. Prisoner remains in administrative segregation for a longer period of positive adjustment.
53	Prisoner was classified to administrative segregation for assaulting and threatening staff. Prisoner remained in segregation due to misconduct findings until they were able to transfer into an appropriate high-level general population facility.
54	Prisoner was classified to administrative segregation for threatening behavior and possession of a weapon. Prisoner was released from administrative segregation to participate in the Secure Status Residential Treatment Program (SSRTP).
55	Prisoner was classified to administrative segregation for assaulting staff. Prisoner was released from administrative segregation as it was determined that the prisoner could be managed in a reduced custody security level.
56	Prisoner was classified to administrative segregation for killing their cell mate. Prisoner continues to exhibit threatening behavior. After an annual security classification committee review with the Assistant Deputy Director, continued segregation was recommended.
57	Prisoner was classified to administrative segregation for attempting to escape. Prisoner was approved for the Structured Alternative to Administrative Segregation (START) program.
58	Prisoner was classified to administrative segregation for assaulting staff. Prisoner was released from administrative segregation to participate in Secure Status Residential Treatment Program (SSRTP).
59	Prisoner was classified to administrative segregation for possession of a weapon. Prisoner remains in administrative segregation due to continuing to receive misconducts.
60	Prisoner was classified to administrative segregation for assaulting staff. Prisoner was released from administrative segregation once they demonstrated a period of positive behavior.
61	Prisoner was classified to administrative segregation for assaulting staff. Prisoner was released from administrative segregation for remaining misconduct free and a period of positive behavior was demonstrated.

Case Number	Explanation of Circumstances for Prisoners Housed in Administrative Segregation for 12 Months or Longer
62	Prisoner was classified to administrative segregation for assaulting staff. Prisoner remains in administrative segregation for a longer period of positive adjustment.
63	Prisoner was classified to administrative segregation due to repeated assaultive misconducts. Prisoner remains in administrative segregation due to repeated disruptive/assaultive behavior towards staff that escalate in severity.
64	Prisoner was classified to administrative segregation for assaulting staff and prisoners. Prisoner was released from administrative segregation for remaining misconduct free and a period of positive behavior was demonstrated.
65	Prisoner was classified to administrative segregation for assaulting another prisoner. Prisoner remains in administrative segregation due to misconduct history and continued disruptive behavior.
66	Prisoner was classified to administrative segregation for stabbing another prisoner. Prisoner is a serious threat to the physical safety of others and remains in administrative segregation for a longer period of positive adjustment.
67	Prisoner was classified to administrative segregation for threatening staff. Prisoner was released from administrative segregation to participate in the Structured Alternative to Administrative Segregation (START) program.
68	Prisoner classified to administrative segregation for stabbing an employee. While classified to administrative segregation prisoner was found guilty of multiple misconducts. Prisoner Transferred to the Secure Status Residential Treatment Program (SSRTP) and remained in the program since release.
69	Prisoner was classified to administrative segregation for assaulting another prisoner. Prisoner was released from administrative segregation for remaining misconduct free.
70	Prisoner was classified to administrative segregation for assaulting staff. Prisoner was released from administrative segregation once they demonstrated a longer period of positive adjustment.
71	Prisoner was classified to administrative segregation for assaulting staff. Prisoner remains in administrative segregation due to continuing to receive misconducts.
72	Prisoner was classified to administrative segregation after assaulting an employee. Prisoner remained in segregation until release to general population. Prisoner has remained in general population since.

Case Number	Explanation of Circumstances for Prisoners Housed in Administrative Segregation for 12 Months or Longer
73	Prisoner was classified to administrative segregation for assaulting staff. Prisoner was released from administrative segregation for remaining misconduct free and a period of positive behavior was demonstrated.
