REPORT TO THE LEGISLATURE
Pursuant to P.A. 22 of 2025
Article II, Section 503
Medically Frail Parole Process

Sec. 503. From the funds appropriated in part 1, the department shall submit a report not later than March 1 on the medically frail parole process for the previous fiscal year. The report must include, but not limited to, the following:
(a) A de-identified list of incarcerated individuals who were considered for medically frail parole the previous year, including the following:
(i) Demographic data, including race or ethnicity, gender, and age.
(ii) The controlling offense of the individual.
(iii) A categorization of the medical condition that resulted in the individual being considered for medically frail parole.
(iv) If the individual was granted medically frail parole or not, and if not, the reason why medically frail parole was denied.
(b) The number of individuals who were previously granted medically frail parole that were returned to prison for a new offense or technical violation of parole.
(c) The number of individuals who were previously granted medically frail parole that were discharged from further parole supervision.
