

REPORT TO THE LEGISLATURE
Pursuant to P.A. 166 of 2022
Article 2, Section 601
Physical and Mental Health Care Expenditure Report

Sec. 601. By April 1, the department shall provide reports on the following:

(a) Physical and mental health care, pharmaceutical services, and durable medical equipment for prisoners. Reports must detail current and prior fiscal year expenditures itemized by vendor, allocations, status of payments from contractors to vendors, and projected year-end expenditures from accounts. Reports must include a breakdown of all payments to the integrated care provider and to other providers itemized by physical health care, mental health care, pharmaceutical services, and durable medical equipment expenditures.

(b) Pharmaceutical prescribing practices, including a detailed accounting of expenditures on antipsychotic medications, and any changes that have been made to the prescription drug formularies.

(c) A status report on efforts to develop measurable data and outcomes for physical and mental health care within the prisoner population.

Status of Payment from Contractors to Vendors - The Michigan Department of Corrections (MDOC), Budget and Operations Administration, conducts a monthly financial review of Grand Prairie payments for timeliness and accuracy of claims payment information. The financial review for payment status of claims for paid dates beginning 2/1/2022-1/31/2023 for the contract with Grand Prairie Healthcare Services showed that 92% of received claims were paid within 45 days. Of the 78,044 service claims (excluding lab claims) paid from 2/1/2022-1/31/2023, there were 72,188 vendor claims (complete and with authorization codes) paid within 45 days. There were 5,856 vendor claims (or 8%) paid after 45 days. Monthly reports are received by the MDOC detailing the status of all claims.
