

REPORT TO THE LEGISLATURE

Pursuant to P.A. 166 of 2022

Section 222

Policy Changes as the Result of Public Acts

Sec. 222. The department shall report no later than April 1 on each specific policy change made to implement a public act affecting the department that took effect during the prior calendar year to the senate and house appropriations committees, to the joint committee on administrative rules, and to report recipients required in section 205 of this part.

Public Act 149 of 2022 – Early Intake of Certain Prisoner Convicted of First-Degree Murder

The department amended PD 04.01.105 “Reception Facility Services” to allow for the intake of certain prisoners convicted of First-Degree Murder from the county sheriffs prior to final sentencing and the issuance of a Judgement of Sentence. The policy was updated to create a parallel system for intake processing that reflects the issuance of a Commitment Order Pending Sentencing to establish the MDOC’s jurisdiction in these cases prior to final sentencing.
