**POLICY:**

GENERAL INFORMATION

- A. The personal property limitations set forth in this policy apply to prisoners in traditional general population housing units in CFA facilities. The personal property of prisoners housed in a Department medical in-patient facility/unit may be limited beyond that which is provided for in this policy with the approval of the Warden due to space limitations or, with the approval of the Assistant Chief Medical Officer, for medical reasons. The personal property of prisoners in a Residential Treatment Program or the Secure Status Outpatient Treatment Program also may be limited beyond that which is provided for in this policy with the approval of the appropriate Qualified Mental Health Professional. Additional personal property limitations for prisoners in a reception facility are set forth in PD 04.01.105 "Reception Facility Services." The personal property limitations for prisoners in the Special Alternative Incarceration Facility are set forth in PD 05.01.142 "Special Alternative Incarceration Program."
- B. Employees shall take reasonable precautions to protect the property of prisoners, however, responsibility for safeguarding property rests with the prisoner. Prisoners shall store property in their cell or room in accordance with facility procedures. The Department will not assume responsibility for lost, stolen, or damaged property. If the prisoner incurs a loss through no fault of their own, they may petition the facility's Prisoner Benefit Fund (PBF), as provided in PD 04.02.110 "Prisoner Benefit Fund," or request reimbursement through the State Administrative Board, in accordance with PD 03.02.131 "Prisoner State Administrative Board Property Claims."
- C. Excessive prisoner property in housing units constitutes a fire hazard and creates sanitation, housekeeping, and security concerns. A prisoner in Level I or II shall not at any time have property that exceeds that which can be contained in one state-issued duffel bag or similarly sized container(s) authorized by the CFA Deputy Director and one footlocker if purchased by the prisoner. A prisoner in Level IV or V shall not have property that exceeds that which can be contained in one state-issued duffel bag or similarly sized container(s) authorized by the CFA Deputy Director or, in Level IV, one footlocker if purchased by the prisoner. These limits apply to all of the prisoner's personal property, whether in their cell or stored elsewhere in the facility, except typewriters, musical instruments legitimately purchased prior to October 27, 2015 that cannot physically be contained inside a state-issued duffel bag or footlocker, excess allowable legal property, and medically necessary items authorized to be possessed by the prisoner pursuant to PD 04.06.155 "Offenders With Disabilities," PD 04.06.160 "Medical Details and Special Accommodation Notices" or PD 04.06.165 "Optometric Services." These limits also apply to clothing items issued to the prisoner pursuant to PD 04.07.110 "State-Issued Items and Cell/Room Furnishings," except for special

clothing items issued to wear on a work assignment.

- D. Subject to other limitations set forth in this policy, prisoners may purchase, possess, and wear personal clothing, and purchase and possess other personal property items, only as set forth in the following attachments:
1. Attachment A - Level V.
  2. Attachment B - Level IV.
  3. Attachment C - Level I and II.
- E. Authorized property items shall be available through the prisoner store as set forth in PD 04.02.130 "Prisoner Store," through the Friends and Family Package Program as set forth in PD 04.02.135 "Friends and Family Package Program," from approved state-wide vendors or as approved by the Warden in the absence of a state-wide vendor, and as set forth in PD 05.03.118 "Prisoner Mail" for written material. Beginning October 1, 2012, only vendors that agree to collect applicable Michigan sales tax on all taxable items shall be approved unless exempted from this requirement by the Chief Accountant in the Accounting Division, Budget and Operations Administration. Catalogs from which prisoners may order personal clothing shall be available for prisoner review, if provided by the vendor. All allowable property must be purchased by prisoners through the prisoner store or Friends and Family Package Program or ordered through established facility ordering procedures, including catalog orders from approved vendors, except for the following:
1. Allowable books, magazines, and newspapers may be purchased by members of the public, including family members, as set forth in PD 05.03.118 "Prisoner Mail." If the prisoner is approved to take a correspondence course pursuant to PD 05.02.119 "Post-Secondary Education Courses," allowable publications and other instructional material may be sent directly from the correspondence school. Catalogs may be received only if sent directly from approved vendors of prisoner personal property at the facility at which the prisoner is housed. All publications are subject to PD 05.03.118 "Prisoner Mail."
  2. Calendars printed on the page(s) of an allowable publication and unbound calendars received through the mail are permitted, subject to PD 05.03.118 "Prisoner Mail."
  3. Personal correspondence and photographs are permitted to be received from any source, subject to PD 05.03.118 "Prisoner Mail."
  4. A prisoner shall be permitted to receive an approved wedding band given to them from the intended spouse during a wedding ceremony performed within the facility.
  5. Medically necessary items authorized pursuant to PD 04.06.160 "Medical Details and Special Accommodation Notices" shall be permitted as set forth in that policy.
- F. No item may exceed a limit of \$75 in retail value (i.e., price for which the item is being sold) unless it is specifically exempted from that limit by this policy or was authorized to be purchased prior to January 12, 1998. This limitation also applies to items on the Standardized Property List (Attachment D) unless the model listed exceeds \$75. Required instructional material for correspondence courses approved pursuant to PD 05.02.119 "Post-Secondary Education Courses" or for college programming offered pursuant to PD 05.02.112 "Education Programs for Prisoners" may exceed the \$75 limit. All cost or value restrictions in this policy do not include the cost of tax or shipping.
- G. This policy limits the quantity of certain items prisoners may possess. For those items, prisoners must dispose of items in their possession that are in excess of the quantity limit when receiving a new or replacement item.
- H. Upon receipt of a written request from the victim or victim's representative, the Warden shall ensure the following is confiscated if found in the possession of a prisoner and handled as contraband in accordance with this policy:
1. Any item belonging to a victim or that formerly belonged to a victim.
  2. Any photographs, drawings or other visual images or representations of the victim.

For the purposes of this policy, the victim's representative is the parent or guardian of a victim who is a minor, or if the victim is deceased or incapacitated, the victim's immediate family or next of kin.

Staff member(s) conducting the search shall document the date, time and item(s) confiscated. Documentation should be placed in the Records Office and Counselor files. If no victim items are found in the prisoner's property, this shall be documented in the Records Office and Counselor files as well.

#### LIMITATIONS ON PERSONAL CLOTHING

- I. All clothing shall be machine washable and colorfast. A laundry service shall be available for the washing of prisoner personal clothing; prisoners are responsible for having their clothing laundered through that service. The CFA Deputy Director may authorize a fee to be charged for laundry services provided other than through Michigan State Industries (MSI). Under no circumstances shall clothing items be allowed to be sent out through the facility for repair or alteration.
- J. Prisoners are allowed to purchase only those clothing items they are authorized by this policy to wear. However, prisoners shall be permitted to keep allowable clothing items that are not authorized to be worn if the prisoner had the item in their possession prior to January 12, 1998. Except for personal underwear items, personal clothing shall not be worn under state-issued clothing.
- K. Prisoners are not allowed to order clothing, including shoes, in multiple sizes. Prisoners may only order clothing in their appropriate size.
- L. Except if authorized pursuant to Paragraph M, the following kinds of clothing are prohibited:
  - 1. Clothing that resembles the pants, shirt or other tops, jacket, or coat required to be worn by a Department employee pursuant to PD 02.03.103 "Employee Uniforms." This includes predominantly black or gray clothing. Only coats and jackets that are predominantly black, gray, or navy blue, or that have predominantly black, gray, or navy-blue lining, are prohibited. However, a prisoner who legitimately ordered and/or purchased a navy blue coat or jacket, or a coat or jacket with navy blue lining, prior to December 29, 2010, that otherwise meets all requirements of this policy shall be permitted to keep the coat or jacket and shall be permitted to wear it as otherwise provided in this policy.
  - 2. Clothing that resembles the uniforms or clothing traditionally worn by persons who provide professional services within a correctional facility. This includes clergy shirts and doctor/nurse uniforms (e.g., "scrubs;" white lab coats).
  - 3. Camouflage.
  - 4. Hooded clothing.
  - 5. Ski masks.
  - 6. Mutilated and altered clothing. This does not include items that have been mended or repaired provided the item retains its original design and intended use.
  - 7. Footwear over six inches in total height (measured from the inside from the top of the heel to the highest point) or footwear with heels over two inches in height. New purchases shall not contain shanks, air pumps, pockets, flashing lights, or gel. The CFA Deputy Director may impose additional restrictions on footwear for reasons of custody or security. With prior approval of the CFA Deputy Director or designee, a Warden may authorize the purchase of footwear over six inches in total height or that is in excess of \$75 if necessary due to the need for a unique size.
  - 8. Coats and jackets longer than knee-length or with drawstrings or hoods. Ponchos also are prohibited. Winter coats and winter jackets shall not exceed \$150 in retail value. However, with prior approval of the CFA Deputy Director or designee, a Warden may authorize the purchase of a winter coat or winter jacket exceeding \$150, or a lightweight coat or jacket exceeding \$75, if necessary due to the need for a unique size.
  - 9. Winter gloves/mittens except if single-layered construction and either knit or cloth construction. Suede, leather, and similar artificial materials are prohibited.
  - 10. Clothing that has logos or pictures, with the exception of the item's brand logo (e.g., Nike swoosh, Under

Armour emblem), however, prisoners who legitimately purchased personal property with logos or pictures prior to the effective date of this policy shall be permitted to possess and wear the item in accordance with this policy directive.

- M. Prisoners shall be permitted to possess and wear personal winter coats, winter jackets, winter gloves, and winter mittens that were legitimately in their possession prior to January 12, 1998 provided they fit within allowable property limits, even if they are not machine washable or do not meet the requirements set forth in Paragraph L, numbers 1, 4, and 9, and the attachments to this policy. New personal winter coats or winter jackets and new personal winter gloves or winter mittens may be ordered only through established facility ordering procedures and must comply with all requirements set forth in this policy. A prisoner may only have one personal winter coat or winter jacket and one pair of personal winter gloves or winter mittens in their possession at any time.
- N. The facility shall provide civilian clothing to a prisoner for court appearances as set forth in PD 04.04.135 "Custodial Transportation of Offenders."

#### LIMITATIONS ON PERSONAL PROPERTY OTHER THAN CLOTHING

- O. Prisoners shall be permitted to possess legal property. Legal property is defined as follows:
1. Pleadings such as complaints, petitions, motions, briefs, and other documents ordinarily filed with a court, transcripts, court issued documents such as opinions, orders, notices, judgments, research notes, exhibits, affidavits, correspondence to or from courts or other forums in which a suit may be filed; correspondence to or from attorneys or persons employed by an attorney or legal clinic, innocence project, ombudsman, or similar entity and acting in a legal capacity, correspondence to or from legislative or other government persons acting in an official capacity, law books, legal periodicals, and similar written documents and items that are necessary for litigation pertaining to:
    - a. Any lawsuit that has been filed by the prisoner but has not been finally disposed of by a court.
    - b. Any lawsuit that the prisoner is currently pursuing or preparing for filing on their own behalf.
    - c. Any court action that the prisoner is currently pursuing or preparing for filing on their own behalf related to grievances, parole violations and misconduct.
    - d. Any pending lawsuit certified as a class action if the prisoner is a member of the class.
    - e. Any divorce and support, child visitation, child custody or parental rights' matters; these are considered pending litigation if the prisoner has minor children even if a judgment has been entered.
    - f. Any pending legal matter in which prisoner is a party, beneficiary, named heir, or interested party in real or personal property disposition.
  2. Pleadings, transcripts, court orders, and court opinions arising out of the criminal case for which the prisoner is currently serving, even if there is no pending litigation.
  3. Court opinions and orders in any case. This includes an opinion or order in a case involving another prisoner.
  4. Documents and correspondence related to prisoner's pending misconducts or grievances, including administrative appeals, and/or parole or parole violations.

The above materials are subject to restrictions set forth in PD 05.03.118 "Prisoner Mail." The above does not include law books and legal periodicals, Department policies and procedures, or photocopies of case law or other materials to which the prisoner has access through the institutional law library. Unless otherwise specifically permitted the above also does not include material belonging to another prisoner.

- P. If the prisoner's property exceeds allowable limits due to items claimed to be legal property, a hearing shall be conducted by a hearing officer from the Department of Licensing and Regulatory Affairs to determine if the items are legal property and thus allowed to be possessed. Prisoners who have allowable excess legal property are

-----------------------------------	------------------------------	---------------------	--------------

required to store the property in footlockers designated for that purpose, which shall be purchased by the prisoner. A prisoner who lacks sufficient funds to purchase the footlocker shall be loaned the necessary funds; loaned funds shall be treated as an institutional debt. A prisoner who was loaned a fire-resistant Cortex container or a footlocker to store allowable excess legal property prior to the effective date of this policy may be permitted to keep it in lieu of purchasing a footlocker until the prisoner transfers to another facility. A prisoner who has more than one footlocker designated for legal property may be required to store excess footlockers in an area designated by the Warden if the Warden determines there is insufficient storage space in the prisoner's cell, room, or other housing area (e.g., bay). Upon request, a prisoner shall be provided reasonable access to their stored footlockers within two calendar days of staff receipt of the request. The prisoner also shall be allowed to exchange legal property in the stored footlockers for legal property stored in their possession.

- Q. The Standardized Property List (Attachment D) sets forth specific limitations, such as make and model, on the purchase of appliances and certain other allowable property items. Prisoners may purchase and possess items identified on the Standardized Property List only as set forth on that list, subject to other limitations set forth in this policy. However, a prisoner shall be permitted to keep an item legitimately purchased from a previous Standardized Appliance or Property List, or an appliance legitimately purchased prior to the issuance of a Standardized Appliance List, if that type of item is listed on the current Standardized Property List subject to the other limitations set forth in this policy, unless the CFA Deputy Director determines that the item poses a threat to the custody and security of the facility.
- R. Subject to other limitations set forth in this policy, a prisoner shall be permitted to keep a typewriter legitimately purchased prior to July 15, 2003 unless it requires an accessory that is no longer available for purchase, or a disk or diskette, to operate. The prisoner also shall be permitted to purchase ribbons and other accessories approved by the CFA Deputy Director or designee for the typewriter through established facility ordering procedures. If a new or replacement typewriter is ordered by the prisoner, the prisoner must dispose of the typewriter currently in their possession and, unless compatible with the new or replacement typewriter, its ribbons and other accessories when the new or replacement typewriter is received.
- S. Wardens shall designate vendors authorized to repair allowable appliances, if available, and other allowable property as determined by the Warden. All repairs must be processed by the prisoner through the facility in accordance with facility procedures. The cost of the requested repair may not exceed the cost of purchasing the item new from the current Standardized Property List even if the item on the Standardized Property List is a different make or model or has different features. If a prisoner has an allowable item repaired through the facility by an authorized vendor, the prisoner shall be allowed to receive the repaired item when it is returned from the vendor except if the item has otherwise been altered or has any additional features or functions added. Except for repaired items returned from the vendor and refurbished tablets sent to prisoners as warranty replacements, prisoners are not permitted to receive used, reconditioned, or refurbished items.

#### PROPERTY CONTROL

- T. All appliances, footlockers, and personal clothing items, except for religious clothing items, shall be labeled or inscribed by staff with the prisoner's identification number prior to being given to the prisoner. Additional property items that must be labeled or inscribed by staff are identified in Attachments A through C. Other property items shall be labeled or inscribed only if requested by the prisoner. All labeling and inscribing shall be done neatly, using block numbers placed as inconspicuously as possible. Items shall be relabeled or inscribed again as necessary to ensure proper identification of ownership. It is the prisoner's responsibility to request relabeling or inscription when necessary.
- U. Prisoners are not allowed to store personal property on an assignment. Unless otherwise approved by the Warden, prisoners are allowed to possess only the following personal property on an assignment:
1. Personal underwear worn on the assignment. Personal shoes, winter coats, winter jackets, winter gloves, and winter mittens also are allowed to be worn, unless a state-issued equivalent is required to be worn on the assignment as a part of special assignment clothing.
  2. Rings, earrings, and watches worn on the assignment.
  3. Religious symbols and emblems worn on the assignment if otherwise authorized to be worn by this policy and PD 05.03.150 "Religious Beliefs and Practices of Prisoners," and worn in accordance with

PD 05.03.150.

4. Prosthetics, including medically necessary shoes, authorized to be possessed by the prisoner pursuant to PD 04.06.160 "Medical Details and Special Accommodation Notices" and prescription glasses received pursuant to PD 04.06.165 "Optometric Services."
  5. Prescription medication authorized by the appropriate health care provider.
- V. Wherever possible, prisoners should be permitted to pack their own property. They also should be allowed to accompany or carry their own property when moved to a different general population cell or room within a facility whenever possible. When it is necessary to move a prisoner without the prisoner being able to pack their own property, staff shall immediately secure the prisoner's property to safeguard it against theft. If the prisoner will be returning to their cell or room within two calendar days, the property may be left secured in the room or cell. Otherwise, staff shall pack, seal, receipt, and store the property in the property room or other secure area of the facility, as designated by the Warden. The receipt shall be given or forwarded to the prisoner within one calendar day after packing.
- W. A prisoner shall not assist in packing another prisoner's property or be allowed access to another prisoner's property except as necessary to transport sealed property under direct staff supervision.
- X. When a prisoner transfers between facilities or to or from a Level I facility outside the security perimeter of a multi-level facility, all of the prisoner's personal property must be packed as set forth below and in accordance with OP 04.07.112A "Prisoner Property Pack-Up" except for those items authorized to be carried or worn by the prisoner during transport or carried separately by transportation officers pursuant to PD 04.04.135 "Custodial Transportation of Offenders" and the Department's Transportation Manual. For transfers from a reception facility, the prisoner shall be provided a container that can be locked or otherwise securely sealed in which the prisoner's property shall be packed. For all other transfers, the sending facility shall provide each prisoner with a duffel bag or similarly sized container(s) authorized by the CFA Deputy Director in which the prisoner's property shall be packed unless all property fits into a footlocker owned by the prisoner. Additional duffel bags or similarly sized containers shall be provided as necessary to pack allowable excess legal property unless the property fits into footlockers owned by the prisoner for storage of that property. Televisions and typewriters shall be packed separately in an appropriate container with adequate packing materials (e.g., newspaper) when transferred between facilities or to or from a Level I facility outside the security perimeter of a multi-level facility; musical instruments that are difficult to pack with personal property (e.g., guitar; keyboard) also may be packed separately either in a case owned by the prisoner or, if a case is not owned, in an appropriate container with adequate packing materials. Property that is packed separately shall be itemized on a Property Items which are Packed Separately for Transfer or Storage Receipt (CSJ-241-C). Any property stored for the prisoner also shall transfer with the prisoner.
- Note: Prisoners who are admitted to Duane Waters Health Center (DWH) shall have their property secured and stored at the sending facility, even though the prisoner will no longer be on the sending facility's count. The Assistant Deputy Warden (ADW) at RGC, or designee, shall notify the sending facility to forward the prisoner's property to DWH, if the prisoner is going to spend an extended period of time at DWH.
- Y. Food items shall be transferred between facilities only if in their original, unopened container or, if opened, in their original container with a lid. Food items sold in a package that does not have a lid (e.g., potato chips, snack cakes) shall transfer only if unopened. Food items that cannot be stored or transferred pursuant to this paragraph shall be destroyed. Food items shall be stored only if in unopened cans or in unopened vacuum-packed containers.
- Z. All property shall be itemized by staff at the sending facility on a Prisoner Personal Property Receipt (CSJ-241-A or CSJ-241-B) or, for transfers from a reception facility, a Prisoner Personal Property Receipt - Reception Facility (CSJ-241-R). Any property that is damaged or altered shall be specifically identified on the receipt by staff at the sending facility, who also shall issue a Notice of Intent to Conduct an Administrative Hearing (CSJ-282) or misconduct report as set forth in PD 03.03.105 "Prisoner Discipline," as appropriate. Any hearing required on the damaged or altered property may be conducted at either the sending or receiving facility if the hearing will be conducted at the receiving facility, the property shall be packed separately with a copy of the Notice of Intent to Conduct an Administrative Hearing/misconduct report attached.
- AA. Once a prisoner's property is packed, it shall be securely sealed in its container in a manner to prohibit unauthorized entry and the seal number written on the property receipt. Staff are responsible to ensure that the seals remain

DOCUMENT TYPE POLICY DIRECTIVE	EFFECTIVE DATE 11/13/2023	NUMBER 04.07.112	PAGE 7 OF 10
-----------------------------------	------------------------------	---------------------	--------------

unbroken until the container is opened and unpacked at the receiving facility. Wherever possible, this shall be done in the prisoner's presence. Once unpacked at the receiving facility, staff shall determine which items are allowed at that security level and return all allowable property to the prisoner within one calendar day after its arrival at the receiving facility. If the prisoner's property exceeds allowable limits, the prisoner shall be given a reasonable opportunity to exchange an allowable item with an item that did not fit within property limits prior to disposal of the excess property. Items not allowed at the receiving facility based solely on the security level of that facility shall be disposed of only as set forth in Paragraph NN and, if applicable, Paragraph BB. Although a hearing is not required, the prisoner's preferred disposition shall be considered.

- BB. If a prisoner is placed in Level IV or V except as an initial placement from a reception facility and the prisoner's true security level is less than the security level at which the prisoner is placed (i.e., waived to increased custody), the prisoner's property that is not allowed at that level shall be stored for the prisoner at the receiving facility for at least 30 calendar days or until the prisoner has exhausted available administrative remedies (e.g., grievance process), whichever is longer, so that the prisoner is not deprived of the property if returned to a security level in which the property is allowed. This does not restrict the prisoner from electing to dispose of the property as otherwise allowed by this policy in lieu of storage.
- CC. The property that is not allowed pursuant to Paragraph AA, including property stored pursuant to Paragraph BB, shall be listed on the Prisoner Personal Property Receipt (CSJ-241-A or CSJ-241-B) by staff at the receiving facility, and the prisoner shall sign to indicate that they agree with the list. If the prisoner contends that the form does not accurately identify the items not allowed at that security level, they may write on the list the additional items they contend were not included. If staff disagrees with the additions, it shall be noted on the form. The form shall be signed by the staff member, the prisoner, and one additional staff member as a witness if there is a disagreement as to the property items that are listed. If the prisoner chooses not to sign, that shall be documented on the form. A copy of the form shall be given to the prisoner.

#### CONTRABAND HANDLING

- DD. For purposes of this policy, contraband is defined as any personal property that is not specifically authorized by this policy, authorized property that is in excess of allowable limits, authorized property that has been altered, authorized property that was obtained or sent from an unauthorized source, metered envelopes that reflect tampering, and authorized property that belongs to another prisoner. Contraband also includes personal property that is no longer functional as to its intended purpose unless the item can be repaired through the facility by an approved vendor and the prisoner agrees to immediately mail the item out for repair and can pay the full cost of mailing and repair. An authorized publication is not considered altered solely due to pages of the publication being removed (e.g., pictures cut out) or portions of it blocked out.
- EE. A prisoner may at any time be given a direct order to pack up their property, using a duffel bag, footlocker, or similarly sized container(s) authorized by the CFA Deputy Director, to determine if the prisoner is exceeding the property limits set forth in this policy. A record shall be maintained at the facility of each pack-up. Upon request, a prisoner shall be given a reasonable opportunity to exchange a packed allowable item with an item that did not fit within the duffel bag or container(s) prior to staff processing the excess allowable property as contraband.
- FF. An item believed to be contraband shall be confiscated. Unless the prisoner was provided a Prisoner Personal Property Receipt (CSJ-241-B) due to a property reduction resulting from an increase in custody, the prisoner shall be issued a Contraband Removal Record (CSJ-284), and either a misconduct report as set forth in PD 03.03.105 "Prisoner Discipline" or a Notice of Intent to Conduct an Administrative Hearing (CSJ-282). A hearing on the misconduct report shall be conducted as set forth in PD 03.03.105. A hearing on the Notice shall be conducted as set forth below.
- GG. Unless the prisoner waives the administrative hearing in writing and the prisoner and staff agree on the disposition of the property as authorized by this policy, a hearing shall be conducted pursuant to Administrative Rule 791.3310 for the facility hearing officer to determine if the property is contraband and, if so, the appropriate disposition of the property. The hearing officer shall not be the person who issued the Notice or, if reviewed with the prisoner prior to the hearing, the person who reviewed the Notice with the prisoner. The hearing officer shall complete an Administrative Hearing Report (CSJ-144) to document the findings made at the hearing, including the hearing officer's determination as to the disposition of any property found to be contraband. Contraband property may be disposed of only as set forth below. The hearing officer may take into consideration the prisoner's choice of disposition in making that determination. Property determined not to be contraband shall be returned to the

prisoner.

#### Disposition of Contraband

- HH. The possession of a weapon and items that violate the law shall be reported to the Michigan State Police. After a weapon or other illegal contraband is photographed, it shall be turned over to the Michigan State Police for disposition. Contraband cellular devices shall be handled as set forth in PD 04.04.145 "Contraband Cellular Device Handling."
- II. Food items not in a sealed can, lidded durable container (e.g., peanut butter, ketchup, hot sauce, etc.), or an unopened vacuum-packed container; alcoholic beverages, tobacco products, and matches shall be destroyed after the items are photographed and appropriate records prepared.
- JJ. Money and postage, including reusable metered envelopes, shall be turned over to the Prisoner Benefit Fund for use by the Prisoner Benefit Fund after they are photographed and appropriate records prepared.
- KK. Except for money and postage, items determined to not belong to the prisoner shall be returned to its rightful owner or, if ordered by a facility hearing officer, destroyed or donated to a charity approved by the Warden, after exhaustion of available administrative remedies unless determined at a Class II misconduct hearing to be stolen from an identified prisoner. The facility hearing officer shall take into account the circumstances involved when determining the appropriate disposition.
- LL. Items determined at a Class II misconduct hearing to be stolen from an identified prisoner shall be returned to that prisoner after the items are photographed and appropriate records prepared. If the item would be contraband if possessed by that prisoner, the process set forth in Paragraphs FF and GG shall be followed, and the item disposed of as otherwise set forth in this section.
- MM. All other contraband shall be disposed of through one of the following options after exhaustion of available administrative remedies; if a hearing was conducted, the specific disposal option chosen by the hearing officer shall be identified in the Administrative Hearing Report (CSJ-144) or Misconduct Report, as applicable:
1. Mailed at the prisoner's expense to a single address designated by the prisoner, except that an item shall not be mailed to another prisoner, a court, an identified public official, or a Department employee unless that employee or public official is an immediate family member of the prisoner. Funds shall not be loaned for this purpose except at a reception facility, in which case the prisoner must agree in writing to repay the loan at 100% of future funds received for credit to their institutional account. Whenever an item is to be mailed out at a prisoner's expense, but the prisoner does not have sufficient funds to pay the required postage, the item may be destroyed no sooner than ten business days after the prisoner is notified in writing of this intent; the item shall be mailed out at the prisoner's expense during this ten-day period if the prisoner receives sufficient funds to pay the postage.
  2. Retained and stored by the facility for up to 30 calendar days for pick-up by a party designated by the prisoner. If the property is not picked up within 30 calendar days, the property may be destroyed no sooner than ten business days after the prisoner is notified in writing of this intent; the item may be picked up during this ten-day period. The Notice shall not be issued until the expiration of the 30-calendar day period.
  3. Donated to a charity approved by the Warden.
  4. Destroyed if requested by the prisoner or if the item is written material, except that publications and photographs shall be destroyed only if requested by the prisoner or as allowed pursuant to numbers 1 and 2 above.
