Michigan's State Community Corrections Board advises the Director of Corrections in developing goals, criteria and guidelines for local governments in establishing community corrections programs and in determining grant guidelines for Comprehensive Corrections Plans. These plans are intended to provide safe, cost-effective alternatives to incarceration. The State Board was created by Public Act 511 of 1988. Members of the board are appointed by the governor, with the advice and consent of the Senate, to 4-year terms. The Director of Corrections is a statutory member of the board.
