The purpose of this public meeting is to hear complaints and receive the views of the public on CRA's administration of the authorities, powers, duties, functions and responsibilities under the Michigan Medical Marihuana Act, 2008 IL 1, Michigan Medical Marihuana Facilities Licensing Act, 2016 PA 281, Marihuana Tracking Act, 2016 PA 282, and Michigan Regulation and Taxation of Marihuana Act, 2018 IL 1. These statutes can be found on the MRA website at www.michigan.gov/CRA.

Specifically, the CRA is seeking public input on the following topic:

- Some states require all flower to be packaged by processors prior to shipping to retail locations. Should Michigan's rules require flower products to be prepackaged? Some states do not allow bulk flower to be sold out of large containers. Should state rules not allow retailers to sell bulk flower?

People with disabilities requiring additional accommodations in order to participate (such as information in alternative formats) should contact Kelly Kronner at 517-242-9262 prior to the scheduled meeting date.
