# Medical Marijuana Facility Licensing

## 1. Executive Summary

The *Marijuana Regulatory Agency Monthly Report* contains the reporting requirements pursuant to both MCL 333.27302(l) and 333.27702 and Section 512 of 2019 PA 60.

The Medical Marijuana Facilities Licensing Act, Section 302(l) [MCL 333.27302 (l)] states:

*MRA's duties include all the following:*

*Reviewing the patterns of marijuana transfers by the licensees under this act as recorded in a statewide database established for use in administering and enforcing this act and making recommendations to the governor and the legislature in a written annual report to the governor and the legislature and additional reports that the governor requests. The annual report shall be submitted by May 15 of each year and shall include the report required under section 702, a statement of receipts and disbursements by the MRA, the actions taken by the MRA, and any additional information and recommendations that the MRA considers appropriate or that the governor requests.*

The Medical Marijuana Facilities Licensing Act, Section 702 [MCL 333.27702] states:

*The MRA shall submit with the annual report to the governor under section 302(k) (sic) and to the chairs of the legislative committees that govern issues related to marijuana facilities a report covering the previous year. The report shall include an account of the MRA actions, its financial position, results of operation under this act, and any recommendations for legislation that the MRA considers advisable.*

2019 PA 60 requires the following:

*Sec. 512. The department shall submit a report regarding the medical marijuana facilities licensing and tracking program to the standing committees on appropriations of the senate and house, the senate and house fiscal agencies, and the state budget director by March 1. The report shall include, but is not limited to, the following:*

- a. The number of initial license applications received for each license category*
- b. The number of initial applications approved, and the number of initial license applications denied.*
- c. The average amount of time, from receipt to approval or denial, to process an initial application.*
- d. The total number of license applications approved by license category.*
- e. The total amount collected from application fees and regulatory assessments.*

*f. The costs of administering the medical marijuana facilities licensing and tracking program.*

Pursuant to these requirements, this report has been reviewed by the MRA and prepared and issued electronically to the Governor, chairs of the legislative committees that govern issues related to marijuana facilities, chairs of the House and Senate appropriations standing committees, the House and Senate Fiscal Agencies, and the state budget director to meet the annual, March 1 and May 15 reporting requirements.
