FORMAL COMPLAINT

The Cannabis Regulatory Agency (“CRA”) files this formal complaint against Great Lakes Aqua Culture, LLC dba White Flower Cannabis Company (“Respondent”) alleging upon information and belief as follows:

1. The CRA is authorized under the Michigan Regulation and Taxation of Marihuana Act (MRTMA), MCL 333.27951, *et seq.*, and Executive Reorganization Order No.2019-2, MCL 333.27001, to investigate alleged violations of the MRTMA and the administrative rules promulgated thereunder, take disciplinary action to prevent such violations, and impose fines and other sanctions against applicants and licensees that violate the MRTMA or administrative rules.
2. Section 8(1)(d) of the MRTMA provides that the administrative rules must ensure the health, safety, and security of the public and integrity of the marijuana establishment operations.

FACTUAL ALLEGATIONS AND INTENDED ACTION OF THE CRA

3. Respondent holds an active state license under the MRTMA to operate an adult use processor establishment in the state of Michigan.
4. Respondent operated at 39530 W. Red Arrow Highway, Paw Paw, Michigan 49079, at all times relevant to this complaint.
5. Following an investigation, the CRA determined that Respondent violated the

MRTMA and/or administrative rules promulgated thereunder as set forth below:

- a. On September 7, 2023, a CRA Regulation Agent (RA) conducted a compliance visit at Respondent's adult use processor establishment.
- b. The CRA RA observed several new greenhouses and barns on the property. Respondent stated these structures had not been inspected or approved by the CRA.
- c. The RA entered the first unapproved, large white barn north of the greenhouses and discovered a pallet of marijuana products wrapped for shipment. Respondent stated, "they ran out of room to store product ready to be shipped." The RA conducted a statewide monitoring system (Metrc) audit and determined the marijuana products in question were supposed to be stored in the 'back-office vault' location.
- d. As of January 4, 2024, the large white barn used to store the pallet of marijuana products has yet to be inspected or approved by the CRA.
- e. On January 10, 2024, the RA contacted Respondent regarding the new and unapproved structures at the establishment. A representative of Respondent stated the reporting forms for the new buildings were not submitted to the CRA because plans had changed. Respondent is planning to lease out the buildings to different licensed marijuana establishments.

Count I

Respondent's actions as described above in paragraphs b, c and d demonstrate a violation of Mich Admin Code, R 420.103(3), which states a marijuana processor must accurately enter all transactions, current inventory, and other information into the statewide monitoring system as required in these rules.

Count II

Respondent's actions as described above in paragraphs b, c and d demonstrate a violation of Mich Admin Code, R 420.212(1), which states all marijuana products must be stored at a marijuana business in a secured limited access area or

restricted access area and must be identified and tracked consistently in the statewide monitoring system under these rules.

Count III

Respondent's actions as described above in paragraphs b, d and e demonstrate a violation of Mich Admin Code, R 420.802(3)(f)(iii), which states licensees shall report to the agency any proposed material changes to the marihuana business before making a material change. A proposed material change is any action that would result in alterations or changes being made to the marihuana business to effectuate the desired outcome of a material change. Material changes, include, but are not limited to, the following: (f) Any change or modification to the marihuana business before or after licensure that was not preinspected, inspected, or part of the marihuana business location plan or final inspection, including, but not limited to, all of the following: (iii) Increase or decrease in the size or capacity of the marihuana business.

THEREFORE, based on the above, the CRA gives notice of its intent to impose fines and/or other sanctions against Respondent's license, which may include the suspension, revocation, restriction, and/or refusal to renew Respondent's license.

Pursuant to Mich Admin Code, R 420.704(2), any party aggrieved by an action of the CRA suspending, revoking, restricting, or refusing to renew a license, or imposing a fine, shall be given a hearing upon request. A request for a hearing must be submitted to the CRA in writing within 21 days after service of this complaint. Notice served by certified mail is considered complete on the business day following the date of the mailing.

Respondent also has the right to request a compliance conference under Mich Admin Code, R 420.704(1). A compliance conference is an informal meeting at which Respondent has the opportunity to discuss the allegations in this complaint and demonstrate compliance under the MRTMA and/or the administrative rules. A

compliance conference request must be submitted to the CRA in writing.
