## STIPULATION

The parties stipulate to the following:

1. Respondent does not contest the allegations of fact and law in the formal complaint. By pleading no contest, Respondent does not admit the truth of the allegations but agrees that the CRA's executive director or designee may enter an order treating the allegations as true for purposes of resolving the formal complaint.

  - c. The CRA confirmed via video surveillance showed small bags of product consistent with compliant sales.

4. The CRA's legal division director or her designee must approve this proposed agreement before it is forwarded to the CRA's executive director or his designee for review and issuance of the above consent order. The parties reserve the right to proceed to an administrative hearing without prejudice to either party, should
