

Living Well Laboratories, LLC

SOCIAL EQUITY PLAN

Living Well Laboratories, LLC is determined to educate consumers, residents of Morenci and all others on the history of cannabis through informational seminars via social media and networking events. It is imperative that instructional training is provided on the various uses of cannabis and products available on the market, including testimonials from actual patients and consumers.

As growers of both medical and recreational marijuana, Living Well Laboratories, LLC in Morenci, Michigan, they are committed to setting a positive impact in the community for the cannabis industry as educators and cultivators in this rapidly developing industry.
