The MRA exercises its statutory powers, duties, and functions independent of LARA’s direction. MCL 16.103. The MRA became the Cannabis Regulatory Agency (CRA) on April 13, 2022.

- i. Because tag #0074 was associated with Glucifer on the physical product label but associated with Black Cherry Punch Buds in the METRC system, Respondent's inventory was not accurately reflected in METRC in violation of Mich Admin Code, R 420.111(4)(b), which states a provisioning center shall comply with all of the following: (b) Accurately enter all transactions, current inventory, and other information into the statewide monitoring system as required in the MMFLA, these rules, and the marihuana tracking act.
- j. Respondent is in violation of Mich Admin Code, R 420.505(2), which states a marihuana sales location shall enter all transactions, current inventory, and other information required by these rules in the statewide monitoring system. - k. Respondent is also in violation of Mich Admin Code, R 420.212(1), which states, in part, all marihuana products must be identified and tracked consistently in the statewide monitoring system under these rules.

THEREFORE, based on the above, the CRA gives notice of its intent to impose fines and/or other sanctions against Respondent's license, which may include the suspension, revocation, restriction, and/or refusal to renew Respondent's license.
