## Social Equity Plan

Social Equity Plans under Michigan law serve to promote and encourage participation in the Marihuana industry by people from communities that have been disproportionately impacted by Marihuana prohibition and enforcement and to positively impact those communities. 19533 West Warren Inc is committed to undoing decades of injustice caused by prohibition and policies related to prohibition and mass incarceration. As a Wayne County based business, 19533 West Warren Inc has a responsibility to serve the numerous communities that have been hit hardest by poverty, criminalization, and stigmatization.

19533 West Warren Inc commits to:

1. Provide hiring preferences to those with previous marijuana convictions, communities of color, and communities disproportionately impacted by Poverty.
2. Promote an inclusive and diverse workplace in which there is space for career advancement for the local community.
3. Develop relationships with local community organizations and fund certain community philanthropic events.
4. Provide information and assistance for the expungement of marijuana-related convictions through our in-house Counsel.

19533 West Warren Inc will measure the effectiveness of our social equity plan by having a quarterly check-in in which the plan is examined and the last three months of progress is reflected upon. This will ensure any needed fine-tuning is done and that the entity stays on track.
