SOCIAL EQUITY PLAN

Legalrec LLC is an Event Planning company for the Cannabis community, we are licensed in the state of Michigan and have Social Equity status for Michigan and the City of Detroit.

The founder of Legalrec LLC is Hiram Hilliard is a lifelong Detroiter who believes social equity in any form is a positive step to alleviate the past inequalities indured by the African American communities, and the current economic possibilites for the future in the cannabis industry.

Legalrec LLC is an event planning company specializing in the cannabis industry. Our social equity business plan is to organize and host events geared toward the education, business support, information and training opportunities for cannabis businesses and their customer base.

Our mission is to provide access for social equity and minority businesses in the cannabis industry access to new customers and suppliers thru events we will be hosting. Our events will facilitate support for information, education, training and advertising opportunities.

We also have plans to donate 10% profits from each event we host to a needy childrens charity in the city of Detroit, a different charity will be picked for each event hosted.

Our primary events will be hosted in Detroit, MI in which we have social equity status.

We plan to connect to all social equity dispensaries and grow operations in the city of Detroit to provide advertising and promotional venues to promote their businesses.

Legalrec LLC plans to hire and train at least 70% Detroit residents and we plan to utilize at least 70% of Detroit businesses for supplies and venues.
