COMMUNITY ENGAGEMENT AND RELATIONS

GREEN CURE Wellness will make it a priority to engage the community. We will employ the following strategies to ensure continued Community involvement:

- Community meetings/dinners to present the plan and site plans.
- Become an active member of the local community group and block clubs
- Assist with local programming and needs of the Community.
- Meet regularly and assign a Manager or Owner who will be the point of conduct if there are concerns or questions.
- Utilize a negotiate Community Benefits Agreement with groups in the area. This will need to be negotiated with the Community. (See Attached sample).
- Support the residents and hire from within the community
- Make our Trainings and Education Programs available to the Community at No Charge and provide information on programs that help to lead to careers related to the Industry. (See attached)
- Help to fight Blight in the neighborhood.
- Snow removal and cleanup in the surrounding area.

- Providing Security during the day and night that will also drive the immediate area. This will help to deter crime.
