COMMUNITY ENGAGEMENT AND RELATIONS

Treelated Health Center will make it a priority to engage the community. We will employ the following strategies to ensure continued Community involvement:

- **Community meetings/dinners to present the plan and site plans.**
- **Become an active member of the local community group and block clubs**
- **Assist with local programming and needs of the Community.**
- **Meet regularly and assign a Manager or Owner who will be the point of contact if there are concerns or questions.**

- Support the residents and hire from within the community
- Make our Trainings and Education Programs available to the Community at No Charge and provide information on programs that help to lead to careers related to the Industry.
- Help to fight Blight in the neighborhood.
- Snow removal and cleanup in the surrounding area.
