4. The Accela General Search will open:

The screenshot displays the M-CRA website interface. At the top, the header includes the LARA logo and the text 'Department of Licensing and Regulatory Affairs'. Below the header is a navigation bar with links: Home, Dashboard, Search, New, and Help. A secondary navigation bar lists: Home, Medical Facility Licensing, Adult-Use Establishment Licensing, Facility b Establishment Complaints, and Registry Cards. A blue bar below this contains the text 'Search & Renew License or Prequalification'. The main content area is titled 'Search for Registration and License Records' and lists search criteria: License Number, License Type, Name of Business, Doing Business As (DBA) Name, and Address. A green arrow points to the 'General Search' form, which is a large white box with a blue header. The form contains fields for License Number, License Type (a dropdown menu), Name of Business, Doing Business As (DBA) Name, First, Last, Street No., Street Name, City, State, Zip, and End Date. A 'Search' button and a 'Clear' button are at the bottom of the form. A checkbox labeled 'Search All Records' is in the top right corner of the form. The footer of the page reads '© 2016 State of Michigan'.

Verify a License

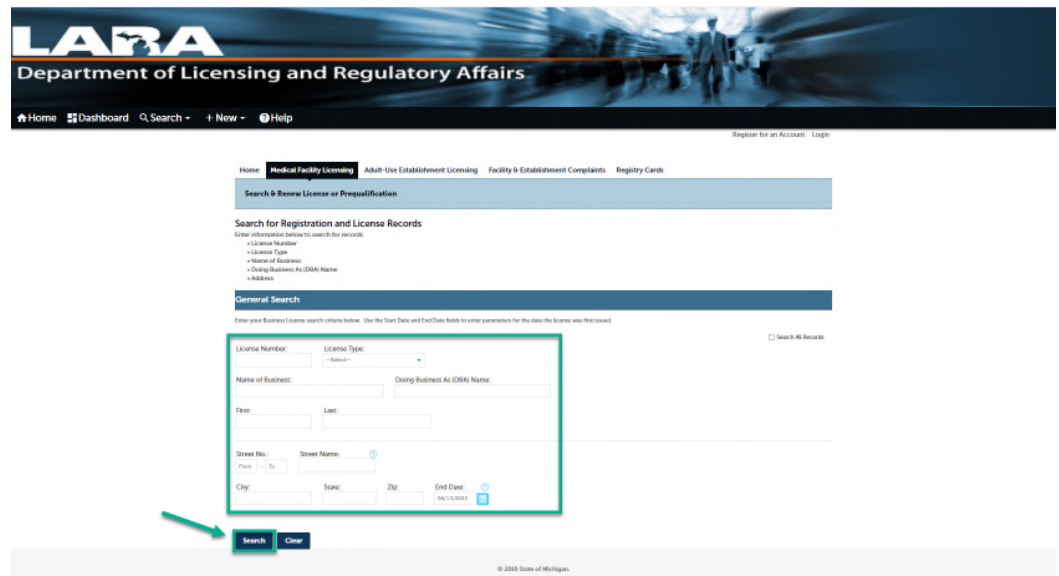

How to Use Verify a License for Medical Facilities

The Verify a License search is used to locate prequalified and licensed marijuana businesses in Michigan. If a business does not appear on Verify a License, you may need to search using different criteria. If, after using multiple criteria to search, a marijuana business cannot be located on Verify a License, the business likely is not prequalified and/or not licensed as a marijuana business in Michigan.

Utilize the General Search to locate the party in question. Records can be found by entering any of the following information:

- License Number
- License Type
- Name of Business
- Doing Business As (DBA) Name
- First
- Last
- Street Number and/or Street Name
- City
- State
- Zip Code

No fields are required to be completed to search; zero to all fields can be utilized. When you have entered the desired criteria, select Search.

The screenshot shows the LARA website interface. At the top is the LARA logo and navigation links: Home, Dashboard, Search, New, and Help. Below this is a section for "Medical Facility Licensing" with a sub-section for "Search & Renew License or Prequalification". The "General Search" form is highlighted with a green box. It includes fields for License Number, License Type, Name of Business, Doing Business As (DBA) Name, First, Last, Street No., Street Name, City, State, Zip, and End Date. A green arrow points to the "Search" button at the bottom of the form.

Verify a License

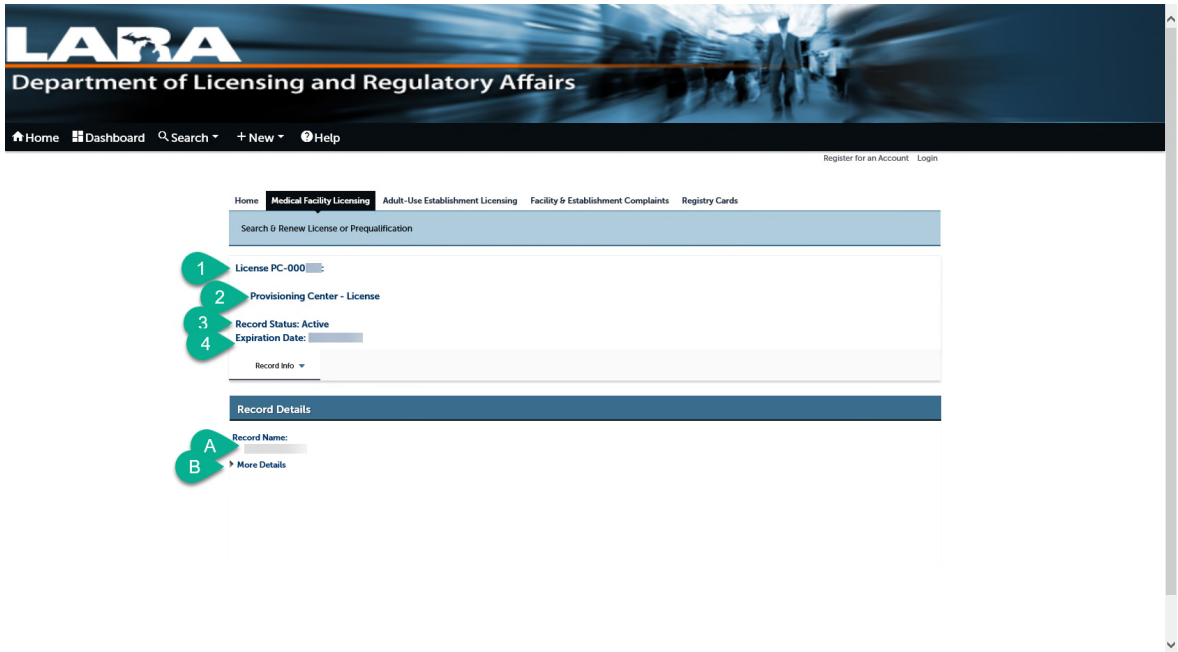

How to Use Verify a License for Medical Facilities

A search that results in a single record will open the Record Details of the license. The search result will show the following fields:

1. License Number (“License”)
2. License Type
3. Record Status (see [page 9](#))
4. Expiration Date

Under Record Details, the following fields will show:

5. Record Name
 - A. Business Name
 - B. Public Documents Available
(if applicable – see [page 7](#))
6. More Details (if applicable – see [page 6](#))

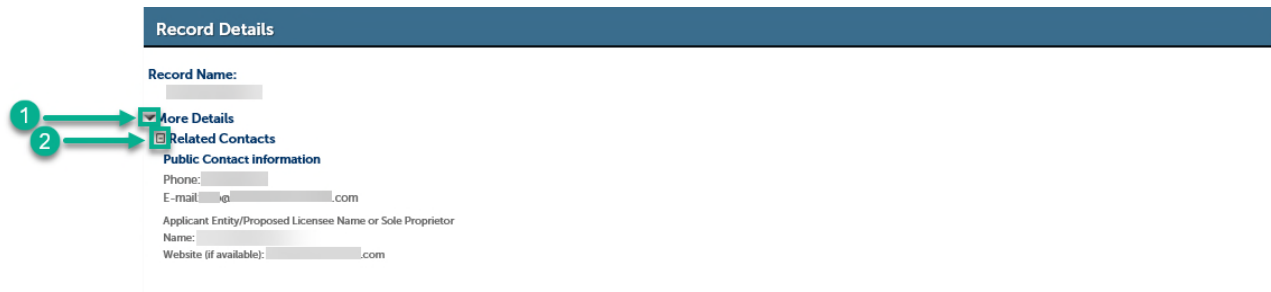

The screenshot displays the LABA Department of Licensing and Regulatory Affairs website. The header includes the LABA logo and navigation links: Home, Dashboard, Search, New, and Help. A secondary navigation bar lists: Home, Medical Facility Licensing, Adult-Use Establishment Licensing, Facility & Establishment Complaints, and Registry Cards. The main content area is titled 'Search & Renew License or Prequalification'. It shows a search result for 'License PC-000' with a 'Provisioning Center - License' type. The record status is 'Active' and the expiration date is shown. Below this, there is a 'Record Info' dropdown menu. The 'Record Details' section is expanded, showing the 'Record Name' field with two options: 'A' for 'Business Name' and 'B' for 'Public Documents Available'. A 'More Details' link is also visible.

Verify a License

How to Use Verify a License for Medical Facilities

If the page shows a More Details section, the licensee has a public contact on record. To view the public contact information:

1. Select the arrow next to More Details. Related Contacts will open below.
2. Select the plus sign next to Related Contacts. The Public Contact Information will open below.

The screenshot shows a web form titled "Record Details". Below the title is a "Record Name:" field. Underneath are two expandable sections: "More Details" and "Related Contacts". A green circle with the number "1" and an arrow points to the downward arrow icon next to "More Details". Below "More Details" is the "Related Contacts" section, which has a green circle with the number "2" and an arrow pointing to the plus icon next to it. Below "Related Contacts" is the "Public Contact Information" section, which contains fields for "Phone:", "E-mail:", "Applicant Entity/Proposed Licensee Name or Sole Proprietor Name:", and "Website (if available):".

How to Use Verify a License for Medical Facilities

If **“Public Documents Available”** is indicated under the Record Name section, the licensee has disciplinary action documents available.

To view the public documents:

1. Select the arrow next to Record Info. The menu will expand below.
2. Select Attachments.
3. The Attachments table will load.
4. Select the document you wish to view by clicking the document Name. The document will automatically download.

To view additional document details:

5. Select Action. The Action options will open.
6. Select View Details. The Document Details window will open with additional file details.

The screenshot shows the Medical Facility Licensing portal interface. The top navigation bar includes links for Home, Medical Facility Licensing, Adult-Use Establishment Licensing, Facility & Establishment Complaints, and Registry Cards. The main content area is titled "Search & Renew License or Prequalification".

Under the "License PC-000" section, the "Provisioning Center - License" is displayed. The "Record Status" is "Active" and the "Expiration Date" is shown. The "Record Info" dropdown menu is expanded, showing options for "Record Details" and "Attachments". The "Attachments" option is selected, and the "Attachments" table is loaded.

The "Attachments" table has the following columns: Name, Record ID, Record Type, Entity Type, Type, Size, Latest Update, Action, and Entity. The table contains one row with the following data:

Name	Record ID	Record Type	Entity Type	Type	Size	Latest Update	Action	Entity
Warning Letter.pdf	PC-000	Provisioning Center - License	Record	Warning Letter	1.95 MB	06/03/2022	Actions	Provisioning Center - License - PC-000

The "Actions" dropdown menu is expanded, showing the "View Details" option. The "View Details" option is selected, and the "Document Details" window is opened, displaying additional file details.

How to Use Verify a License for Medical Facilities

A broader search may result in multiple records.

For medical facility licenses, multiple records will show on a table that includes the following information:

- Record Number (License Number)
- Record Type (License Type)
- License Name
- Address
- Expiration Date
- Status
- Action
- Home Delivery
 - If a provisioning center is approved for home delivery, this section will indicate "Approved".

Verify a License

How to Use Verify a License for Medical Facilities

The following statuses exist for medical facility licenses on Verify a License:

- **Active**
 - A record with an Active status indicates the entity and/or location holds a valid medical facility license.
- **Active – Late Renewal**
 - A record with an Active – Late Renewal status indicates the entity and/or location holds medical facility license that did not submit a renewal application by the license expiration date but is operating under the 60-day late renewal period pursuant to the Marihuana Licenses rule set.
- **Active – Main Applicant**
 - A record with an Active – Main Applicant status indicates the entity has been granted prequalification status.
- **Closed**
 - A record with a Closed status indicates a license that is no longer valid.
- **Closed – Pending METRC**
 - A record with a Closed – Pending METRC status indicates the license is in the process of closing and reconciling their existing inventory in the statewide marijuana monitoring system (METRC).
- **Suspended**
 - A record with a Suspended status indicates a license that is currently suspended due to disciplinary action.
