This entity qualifies for the Cannabis Regulatory Agency's
Task Force 1620.

HIGHER LOVE CANNABIS CO. has partnered with HOG Cannabis Co. in the groundbreaking initiative to support Veterans by offering them a complimentary 1.2g all flower HOG pre-roll each month. The program aims to provide tangible assistance and express gratitude for Veterans' service. This program is important to us at Higher Love because one of our owners is a Veteran.

HOW IT WORKS:

HOG Cannabis Co. will provide Higher Love Corporation with a select amount of MEDIC Rolls monthly. Higher Love will then distribute MEDIC Rolls to qualifying Veterans. Qualifying for the program is as simple as a Veteran showing their Military ID which will be saved to their account automatically making them eligible to receive their one free pre-roll a month. It will be the responsibility of Higher Love Co. to track the MEDIC Rolls applied to customer accounts.
