This entity qualifies for the Cannabis Regulatory Agency's Task Force 1620.

CANNABIS
REGULATORY AGENCY

I. Introduction

Timber Cannabis, Cloud Cannabis, and High Minded are committed to honoring United States Military Veterans through accessible, compassionate, and compliant cannabis support services. Our Veteran Cannabis Access Program (VCAP) reflects our core values of **Connect, Care, Inspire, Be Authentic, and Drive the Business**. This policy outlines the standards, procedures, and responsibilities required to maintain a Veteran-centered program that aligns with CRA Task Force 1620 recommendations.

II. Program and Purpose

The purpose of the Timber Cannabis retail & Cloud Cannabis retail Veteran Cannabis Access Program is to:

- Provide verified Veterans with enhanced access to affordable cannabis products.
- Ensure safe, responsible, and informed cannabis use.
- Build long-term relationships with community Veteran organizations.
- Promote equitable access and reduce cost burdens for Veterans who rely on cannabis for wellness.
- Maintain compliance with all CRA regulations, Task Force 1620 guidelines, and internal company policies.

III. Program Eligibility

To be eligible for the Veteran Cannabis Access Program, customers must provide one of the following:

- DD214 or DD215 form
- State-issued Veteran designation on driver's license/ID card
- Veteran Health Identification Card (VHIC)
- Retired Military ID (USID)

Eligibility must be verified at enrollment and renewed every 6 months.

IV. Enrollment Procedure

1. Customer Inquiry – Customer expresses interest in the VCAP.
2. Document Verification – Trained staff verify Veteran documentation.
3. POS Registration & App – Customer profile is updated with "Veteran Access Program" tag and the respective app is downloaded on the customer's phone to receive their monthly allotment.
4. Once verification is complete and the app is downloaded on the customer's phone, the allotment coupon will show up within 24 hours to be used.

All documentation must be handled with confidentiality and stored according to compliance protocols.

V. Program Benefits & Allotment

Timber Cannabis & Cloud Cannabis will support 15 Veterans as part of the Veteran Cannabis Access Program (VCAP). These participants will receive a monthly product allotment consisting of:

- One (1) High Minded 1/8th *or*
- One (1) High Minded gummy pack

Participation Requirements

- VCAP participants must visit the store once per month to receive their allotment.
- If a participant does not come in for three (3) consecutive months, Timber & Cloud reserves the right to release their spot and offer it to another qualifying Veteran on the waiting list.

Veteran Discount

- Veterans receive 15**%** off eligible items in accordance with CRA rules. Some limitations may apply.

Education & Support

Veterans may request:

- Product consultations
- Safe-consumption education
- Wellness-based recommendations

Community Support

- Information on local Veteran service organizations is available in-store and online.

VI. Compliance Requirements

- Program must follow all CRA rules, Task Force 1620 guidelines, and internal policies
- No medical claims may be made
- Veteran data must be securely stored
- All discounts must be accurately recorded and only applied to qualifying products
