

# Task Force 1620 Form

Task Force 1620 (TF1620) will help the Cannabis Regulatory Agency (CRA) support the treatment of medical conditions of United States armed services veterans. This program will be available to Medical Marijuana Facility Licensing Act (MMFLA) and Michigan Regulation and Taxation of Marijuana Act (MRTMA) businesses that have a Veteran Access Program set up for safe and affordable cannabis access for veterans. ## Recognition Tier Criteria

For licensees that have implemented a program that offers cannabis to Veterans at a 75-100% discounted rate, a summary explaining the details of their program must be provided with the VRP application. Licensees who are approved will have their business name and license number listed on the CRA webpage with a hyperlink directly to their Veteran's Program that was submitted with the application.

Retailers in this program must make a one-year commitment but otherwise can set their own parameters on the max amount given per veteran as well as what percentage of disability qualifies a veteran for their program. Each licensee can also determine what amount per week/month will be donated and also the number of veterans in their program.
