FINAL DETERMINATION OF THE DEPARTMENT

In accordance with the Michigan Medical Marihuana Act, Initiated Law 1 of 2008, MCL 333.26421, *et seq.* (MMMA), and the associated Michigan Administrative Rules, R 333.101 *et seq.*, a Petition was filed with the Department of Licensing and Regulatory Affairs (Department) to consider adding Anxiety to the list of debilitating medical conditions under MCL 333.26423(b) and pursuant to R 333.131 and R 333.133.

The Medical Marihuana Review Panel (Panel) held a public hearing on April 27, 2018, to hear public comment on the Petition. In addition, public comment was accepted for five business days. In accordance with R 333.131(5), a majority of the Panel of those present at a meeting shall concur with the recommendation in order to be considered an official recommendation of the Panel.

On May 4, 2018, the Panel met to review and make a recommendation to the Department regarding whether the Petition should be approved or denied. After discussion, the Panel voted 4 to 2 to recommend that the Petition for Anxiety be denied pursuant to MCL 333.26426(k). As required by MCL 333.26425(a), the official recommendation of the Panel now comes to the Department for final action. The Department shall approve or deny a Petition within 180 days of the submission of the Petition.

By the authority granted to the Department pursuant to the MMMA and associated Administrative Rules, and in consideration of the recommendation concurred on by a majority of the Panel, the final determination is that the Petition for Anxiety is denied.

FINAL DETERMINATION OF THE DEPARTMENT

In accordance with the Michigan Medical Marihuana Act, Initiated Law 1 of 2008, MCL 333.26421, *et seq.* (MMMA), and the associated Michigan Administrative Rules, R 333.101 *et seq.*, a Petition was filed with the Department of Licensing and Regulatory Affairs (Department) to consider adding Schizophrenia to the list of debilitating medical conditions under MCL 333.26423(b) and pursuant to R 333.131 and R 333.133.

The Medical Marihuana Review Panel (Panel) held a public hearing on April 27, 2018, to hear public comment on the Petition. In addition, public comment was accepted for five business days. In accordance with R 333.131(5), a majority of the Panel of those present at a meeting shall concur with the recommendation in order to be considered an official recommendation of the Panel.

On May 4, 2018, the Panel met to review and make a recommendation to the Department regarding whether the Petition should be approved or denied. After discussion, the Panel voted 5 to 0, where 1 member passed, to recommend that the Petition for Schizophrenia be denied pursuant to MCL 333.26426(k). As required by MCL 333.26425(a), the official recommendation of the Panel now comes to the Department for final action. The Department shall approve or deny a Petition within 180 days of the submission of the Petition.

By the authority granted to the Department pursuant to the MMMA and associated Administrative Rules, and in consideration of the recommendation concurred on by a majority of the Panel, the final determination is that the Petition for Schizophrenia is denied.
