## **Notification of Voluntary Marijuana Product Recall**

In the interest of public health and safety, the Cannabis Regulatory Agency (CRA) is recalling vape cartridges from the medical and adult-use marijuana markets due to the possible presence of banned chemical residue exceeding the established action limits.

The vape cartridges – manufactured under the name “FLIGHT LIVE RESIN DISPOSABLE” – include three batches (Grease Monkey, Space Ether, and Bubblegum) that were manufactured by licensed marijuana processor Sky Labs, LLC (AU-P-000157).
