Consumer Notification of Voluntary Marijuana Product Recall

In the interest of public health and safety, Bloomfield Development Group Grow, LLC dba Golden Shores Cannabis Company (AU-P-000308) – in coordination with the Cannabis Regulatory Agency (CRA) – is voluntarily recalling a limited amount of marijuana-infused edible products due to non-compliant creation and packaging.

The products were created containing 200 mg of THC per serving, which exceeds allowable concentration amounts. The product packaging is not child resistant as required by the administrative rules. The product is labeled as “The Weed Bar” without the required product modifier stating, “marijuana product,” “THC product,” or “cannabis product.”

Sales locations who have this product in their inventory cannot sell or transfer the remaining non-compliant product. The CRA will allow the products to be returned to Bloomfield Development Group Grow, LLC dba Golden Shores Cannabis Company (AU-P-000308). Before returning the product, the product will need to be repackaged if sales have been made following the instructions in this Metrc [bulletin](#).

This recall is limited to the following:
