

# Nonprofit Corporation

## Affiliated Parties

### Nonprofit corporations must disclose:

- All entities and individuals with membership or shareholder rights of 2.5% or greater in the main applicant entity
- Spouses of all individuals with membership or shareholder rights (if the member or shareholder holds an ownership interest of 2.5% or greater in the main applicant entity)
- If this is the application for the main applicant entity seeking licensure, all managerial employees (employees who can control and direct the affairs of the marijuana business and/or can make policy concerning the marijuana business)
