CSN Fund Application Guidelines

What does the CSN Fund do? The Children with Special Needs Fund (CSN Fund) helps families with children with special health care needs to obtain equipment when no other funding source is available including state or federal programs. The CSN Fund is comprised entirely of private donations and is administered through the Michigan Department of Health and Human Services (MDHHS), Children's Special Health Care Services (CSHCS) Division.

Who is eligible to apply to the CSN Fund? Families with a child under the age of 21, who is enrolled or medically eligible to enroll, in the CSHCS Program may apply for assistance for an item related to a CSHCS diagnosis. To find out if your child is eligible, contact the CSHCS office at your Local Health Department**.** Please note: Children enrolled in Adoption Medical Subsidy, Children's Waiver, Habilitation Supports Waiver, Community Mental Health, or have a Trust/Insurance Settlement must apply to these sources FIRST before contacting the CSN Fund. The CSN Fund is privately funded, is the payer of last resort, and it cannot replace state or federal funding/programs.

What are the income eligibility criteria? There are no income criteria to apply; however, if the child is not currently enrolled in CSHCS, the financial assessment form (DCH-1273) must be submitted with the application.

Does the CSN Fund reimburse for equipment or services? No, the CSN Fund will not reimburse a family, business, or funding source for equipment already provided or purchased.

What if I need help with my application? Your Local Health Department can help! CSHCS staff at the Local Health Department can help with the application process, locate nearby vendors, and find local agencies who may be able to help. Local CSHCS staff may not gather the estimates for equipment on your behalf. Call your local health department or the CSHCS Family phone line at 1-800-359-3722.

Are there items NOT covered by the CSN Fund? Yes, certain items are not covered including:

- Personal care items, baby/video monitors, equipment, and appliances routinely found in a home
- Improvements or repairs to a vehicle or home, including modifications to the home (i.e., bathroom, widening doors)
- Vehicle purchase or lease
- Generators, humidifiers, air purifiers, heating/furnace installation
- Central air conditioning or ceiling/stair lift in a rental property

Do I have everything required to request an item?

- ○ CSN Fund Application (Form DCH-1239).
- ○ Financial Assessment Form DCH- 1273 (only if your child **IS NOT** enrolled in CSHCS).
- ○ Letter from you explaining the need and reason for the request.
- ○ Letter of medical necessity from the child's specialist (*not the pediatrician*) explaining the need for the requested item. Tricycles or adaptive recreational equipment requests must include an assessment from PT/OT.
- ○ Documentation of Assistance form (DCH-2423).
- ○ Bids/quotes for the item (see table on page 2). Vendors should be willing to register & bill the State of Michigan.
- ○ Rifton (or AMTRYKE) order form completed by OT/PT (if applying for Rifton or AMTRYKE).
- ○ Signed landlord agreement form (DCH-2424) for wheelchair ramp or electrical upgrade on a rental property.

PLEASE NOTE

- *Families with more than one eligible child may be given special consideration to determine the amount of funding.*
- *The amount of funding is based on the lowest quote/bid. If the family selects a vendor higher than the lowest bid, the family is responsible for the difference. Quotes must be from different vendors.*
- *Applications cannot be processed if they are not fully completed or if the required documentation is not attached.*
- *Please encrypt emailed applications. If you do not encrypt your email, there is a risk an unauthorized end user could receive it.*
