This bulletin supersedes Bulletin 2021-24-INS, issued May 5, 2021; and Bulletin 2021-26-INS, issued June 9, 2021.

This bulletin notifies interested parties of the availability and location of updated lists of hospitals eligible for enhanced reimbursement under Sections 3157(4)(a), 3157(5), and 3157(6) of the Insurance Code (Code), MCL 500.3157(4)(a), MCL 500.3157(5), and MCL 500.3157(6).

Section 3157(4)(a) and Section 3157(5) of the Code, MCL 500.3157(4)(a) and MCL 500.3157(5), entitle hospitals to enhanced reimbursement if they have certain percentages of indigent volume as determined pursuant to the methodology used by the Michigan Department of Health and Human Services (DHHS) in determining inpatient medical/surgical factors used in measuring eligibility for Medicaid disproportionate share payments. The [“Hospitals with Indigent Volume Entitled to Enhanced Auto Insurance Reimbursement” list](#) includes hospitals that have between 20% and 29.99%, and 30% or more, indigent volume, as of July 1, 2023.

Section 3157(6) of the Code, MCL 500.3157(6), entitles hospitals that are Level I or II trauma centers, as verified by the American College of Surgeons Committee on Trauma (ACS COT), to enhanced reimbursement if the treatment is for an emergency medical condition and rendered before the patient is stabilized and transferred. The [“Level I or II Trauma Centers Entitled to Enhanced Auto Insurance Reimbursement” list](#) will be updated regularly to reflect any changes in verification from ACS COT.

The above-referenced lists can be found here: <https://www.michigan.gov/autoinsurance/industry-resources>.

Section 3157(4)(b) of the Code, MCL 500.3157(4)(b), requires the Director to designate, on an annual basis, not more than two freestanding rehabilitation facilities to qualify for enhanced reimbursement under Section 3157(3) of the Code, MCL 500.3157(3). The designations set forth in Bulletin 2021-24-INS have not changed. Mary Free Bed Rehabilitation Hospital (NPI: 1730133463) and DMC Rehabilitation Institute of Michigan (NPI: 1245293117) have met the requirements for designation as freestanding rehabilitation facilities under Section 3157(4)(b) of the Code, MCL 500.3157(4)(b), and are considered to be freestanding rehabilitation facilities eligible for enhanced reimbursement under Section 3157(3) of the Code, MCL 500.3157(3).
