Memorandum

DATE: February 18, 2014
TO: Interested Persons
FROM: Annette E. Flood 
Director
SUBJECT: Rescission of Insurance Bulletins

The Department of Insurance and Financial Services (DIFS) periodically issues bulletins to provide information and guidance to the public and to entities regulated by DIFS. Bulletins are only advisory in nature and do not have the force and effect of law. Bulletins may become obsolete or outdated because of changes in statutes, rules, or policies or they may be superseded by new bulletins with updated information.

DIFS recently reviewed insurance-related bulletins and concluded that the bulletins below are obsolete or outdated. Consequently they are rescinded as of this date.

<u>Bulletin Number</u>	<u>Reason for Rescinding Bulletin</u>
Bulletin No. 82-02	This bulletin was issued to explain changes to Chapter 52 of the Insurance Code after it was amended in 1981. However, because of subsequent amendments to Chapter 52, the bulletin no longer has any practical value. Furthermore, the bulletin contains outdated organization references.
Bulletin No. 97-01	This bulletin contains outdated information (e.g., a requirement for the use of diskettes to file forms). It also references and relies on an earlier bulletin that has been superseded.
Bulletin No. 2001-02-INS	The information in this bulletin is outdated. Guidance about the filing of insurance company and HMO statements is now annually updated and transmitted by an order of the Director.
