# **Notice of Cybersecurity Event**

All State Chartered Banks must notify the Director promptly after determining a cybersecurity event occurred involving nonpublic information in the institution's possession. An authorized representative from the institution should complete this form or provide a documented notice that includes the pertinent information contained herein. Pursuant to the reporting requirements of section 487.13911 of the Michigan Banking Code, institutions are required to notify the commissioner as to the condition of the bank, which includes cybersecurity events.

It is requested that institutions update and supplement this form regarding material changes to information previously provided relating to the cybersecurity event. Please provide as much information as possible in completing this form.

Note: This form and attachments should be submitted as a single PDF document and sent to email address: MI-DIFS-Banking@michigan.gov
