Notes to Financial Statements

1. Summary of Significant Accounting Policies and Going Concern

A. Accounting Practices

SummaCare of Michigan, Inc.'s (the Company or SCM) statutory financial statements are presented on the basis of accounting practices prescribed or permitted by the Michigan Department of Insurance and Financial Services (DIFS) and in accordance with the Accounting Practices and Procedures Manual.

The DIFS recognizes only statutory accounting practices prescribed or permitted by the State of Michigan (the State) for determining its solvency under Michigan Insurance Law. NAIC SAP has been adopted as a component of the prescribed or permitted practices by the State with some modifications. The admitted assets, liabilities, capital and surplus of the Company as of March 31, 2022 and December 31, 2021 and the results of its operations and its cash flow for the years then ended have been determined in accordance with accounting principles prescribed or permitted by the DIFS. Management believes the monetary effect on net income and statutory surplus between NAIC SAP and accounting principles prescribed or permitted by the DIFS is not material. Additionally, the Company's risk based capital would not have triggered a regulatory event had it not used a prescribed or permitted practice.
