FOREST MANAGEMENT ADVISORY COMMITTEE MISSION

Create an Advisory Committee to advise the Director of the DNR.

Purpose of the Committee

- Assist the DNR in balancing environmental, social and economic issues in implementing forest resource responsibilities.
- Provide a mechanism by which interested persons can play an advisory role in the formation of DNR priorities and practices related to forest resource, including:
 - Renewable and non-renewable resource use opportunities.
 - Timber related activities.
 - Forest health.
 - Recreation.
 - Biological diversity.
 - Habitat.
- Identify potential long-term threats to forest resources in the State.
- Describe economic and environmental opportunities that are linked with forest resources.
- Address management problems, opportunities and challenges related to public and private forest ownership.
- Provide active participation in the DNR's forest resource planning activities, including forest certification efforts.
- Identify appropriate partnerships with other agencies that impact Michigan's resources.

Membership would include:

- Department of Natural Resources and other appropriate state agencies
- Forest industry organization representation:
 - Timbermen.
 - Primary wood producers.
 - Secondary manufacturers.
- Universities and Cooperative Extensions
- Federal, state and local government agencies
- Conservation and environmental organizations and/or associations
- Land trust organization
- Regional alliances (i.e. Great Lakes Forest Alliance)
- Forestry cooperatives (i.e. Western UP Forest Improvement District)

Maximum membership: 20 members.
