MEMORANDUM TO THE DIRECTOR

Information: Natural Resources Commission

Subject: Parks and Recreation Division Management of the Michigan Iron Industry
Museum
Land Use Order of the Director Amendment No. 8 of 2022

Authority:

The Natural Resources and Environmental Protection Act, 1994 PA 451, authorizes the Director to issue orders to implement land use rules.

Discussion and Background:

Currently, the property making up the Michigan Iron Industry Museum is located on property managed by the Michigan History Center (MHC). The intent of this order is to designate portions of the lands making up the Michigan Iron Industry Museum as a “state park” within the meaning of MCL 324.74101(h) to recognize PRD’s land administration and management functions at this state managed locations.

An increased expectation over these lands has led to a desire to formalize the transfer of administration and management. Additionally, since park improvement funds are restricted for use only to support designated state parks and recreation areas, this designation will enable funds to be used to support the areas defined in this order. To facilitate this conveyance, the lands identified below are to be dedicated within the meaning of MCL 324.74101(h) with administration and management to be formally undertaken by PRD.

Management of the operations of the Michigan Iron Industry Museum shall be undertaken consistent with a Memorandum of Understanding entered into between the PRD and MHC documenting the mutually agreed upon roles and responsibilities, including but not limited to, capital outlay needs to collaboratively manage this facility.
