MEMORANDUM TO THE DIRECTOR

Information: Natural Resources Commission

Subject: Crystal Waters State Game Area Designation and Rules
Land Use Order of the Director Amendment No. 6 of 2022

Authority:

The Natural Resources and Environmental Protection Act, 1994 PA 451, authorizes the Director to issue orders to implement land use rules.

Discussion and Background:

In May 2021, the Department acquired a 680-acre parcel of public land for a new state game area in Southeast Michigan (Monroe County) known as the Crystal Waters Tract. The land transaction of \$3.675 million, provided by the Michigan Natural Resources Trust Fund and the Michigan United Conservation Clubs, marked a historic public land expansion for recreationalists in southeast Michigan. Public land is not easily accessible in southern Michigan, and most residents travel far distances to enjoy the use of public land. The acquisition of the Crystal Waters Tract will now provide residents with public access to hunting and fishing opportunities, seven inland water bodies, and more than six miles of hiking trails. In addition, the state game area supports a variety of habitat complexes and will be managed for deer, turkey, small game, and waterfowl habitat, along with hunting, fishing, and passive outdoor recreation opportunities like hiking, birding, and paddling. This acquisition adds access to high-quality outdoor recreation activities for 23 percent of the state's population that lives in one of the counties bordering the area.

The Department recommends designating the Crystal Waters Tract as the Crystal Waters State Game Area in the Land Use Orders of the Director. The Crystal Waters State Game Area will be added to the list of designated State Game and Wildlife Areas in Chapter 3 of Land Use Orders of the Director. In addition, the Department recommends implementing the following land use rules to properly manage and ensure the safe use of the state game area:

- A person shall not enter, use, or occupy the area between the hours of 11:00 p.m. and 4:00 a.m., unless otherwise permitted by posted notice.
- A person shall not build or use any ground fire of any kind.
- A person shall not target, skeet, or trap shoot.
- A person shall not launch a watercraft propelled by a gasoline or fuel-powered engine onto the waters within the state game area.
- A person shall not park at any location other than a designated parking lot.
- A person shall not discharge a firearm in a designated parking area.
