The Honorable Sue Allor, Chair
House Appropriations Subcommittee on
Agriculture and Rural Development and
Natural Resources
P.O. Box 30014
Lansing, Michigan 48909-7514

Dear Senator Bumstead and Representative Allor:

Pursuant to Section 902, PA 166 of 2022, the Department of Natural Resources (DNR) is required to submit a report on the Marine Safety Grant Program. The provisions of Section 902 require that the report include the following information for fiscal year 2021-2022:

1. Total revenue received from watercraft registrations: \$9,829,900
2. Watercraft registration revenue deposited in the Marine Safety Fund: \$4,816,600
3. Total expenditures from the Marine Safety Fund: \$5,034,800
4. Breakout of Marine Safety Fund expenditures:
 - Department administration: \$709,000
 - Other state agencies: \$1,794,700
 - Law Enforcement Division: \$1,121,200
 - Grants to counties: \$1,409,900

Note: Amounts are rounded to the nearest hundred.

Section 902 also requires that the DNR provide a list of the marine safety grants awarded by county, as well as an explanation of the distribution methodology employed in determining the grant awards. A list of the 2022 marine safety operating grants awarded by county is attached. For state funds, grants are issued for an entire calendar year, January 1 through December 31. For federal funds, grants are issued for a partial fiscal year, January 1 through September 30. Reimbursement with state funds is provided up to 75 percent of actual expenditures, not to exceed the grant allocation. Reimbursement with federal funds is provided up to 100 percent of actual expenditures, not to exceed the grant allocation.

The 2022 marine safety operating grant awards were determined by targeting 75 percent of the average grant amounts awarded to each county over the past three years (subject to a maximum of \$191,700). Total marine safety program expenditures and past operating grant histories (grants provided and usage) were also considered in arriving at the final grant awards for each county.

No marine safety equipment grants were awarded for 2022. Funding was allocated toward marine safety operating grants in lieu of equipment grants due to limited state and federal funding.

If you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Erik Eklund". The signature is fluid and cursive, with the first name "Erik" and last name "Eklund" clearly distinguishable.
