KEY TOPICS – SHORTCUTS TO POPULAR WEBSITE PAGES

Shortcuts to Popular Pages

For the most part, the links in the right column below are marketing URLs, specially created to be easy to remember. To keep the column narrow for cell phone browsing, we've left the first part of the URL off. Whenever you see a link that begins with a forward slash "/", the full URL would include www.michigan.gov, so /deer would be www.michigan.gov/deer.
