

# Michigan Urban Forestry Consultants

The following is a listing of companies and individuals who have indicated to the Michigan Department of Natural Resources that they provide urban forestry consulting services in Michigan. The DNR presents this list with no endorsement of individual consultants, their qualifications, or service rendered, nor is criticism implied of consultants not listed. Additional consultants are available in Michigan, but have not contacted the DNR and are, therefore, not listed below. It is your responsibility to research, contact and select a consultant to best meet your needs. If you are a consultant and wish to be listed, please contact to Kevin Sayers at [SayersK@Michigan.gov](mailto:SayersK@Michigan.gov), 517-582-3209. More information is available at [Michigan.gov/UCF](http://Michigan.gov/UCF).

## Key to consulting forestry services offered:

- A. Management Plans:** Advises and/or develops long-term community street/park tree management plans.
- B. Tree Ordinance / Policy Development:** Advises/develops municipal tree ordinances, specifications, policies etc. for public trees.
- C. Tree Inventory:** Provides street/park tree inventory services including data collection, analysis, software and reporting.
- D. Urban Tree Canopy Analysis (UTC):** Provides services for interpreting, measuring and mapping of urban tree canopy cover.
- E. Planting Design and Selection:** Provides landscape design services and species selection advice.
- F. Tree Protection on Construction Sites:** Assists client in design & implementation of tree protection systems.
- G. Municipal Program Administration:** Provides contracted services for municipal forestry program administration.
- H. Training / Education:** Provides technical and educational training in aspects of arboriculture and urban forestry.
- I. Grant Applications:** Assists client in developing project proposals and applying for grants and funding.
- J. Expert Witness:** Investigates situations involving tree related litigation and may serve as an expert witness for clients.
- K. Certified Arborist on Staff:** Organization employs at least one [International Society of Arboriculture \(ISA\) certified arborist](#).
- L. Landscape Tree Appraisal:** Uses [Council of Tree & Landscape Appraiser \(CTLA\) method](#) for tree valuation
- M. i-Tree Analysis:** Advises and/or conducts various [i-Tree](#) analysis for urban forests.
- N. Insurance Claim Support:** Services include claim review, forensic analysis, accident reconstruction, etc.

Map of Michigan urban forestry consultant areas (“Area” column for table below):

**Western Upper Peninsula  
(WUP)**

**Eastern Upper Peninsula  
(EUP)**

**Northwest Lower Peninsula  
(NWLP)**

**Northeast Lower Peninsula  
(NELP)**

**Southwest Lower Peninsula  
(SW)**

**Southeast Lower Peninsula  
(SE)**
