Subdivision			Lot Number(s)	
County			Township	
Town	Range	Section	Property Tax No.	Parcel Size

4. Project Description

Describe in detail your proposed action and/or use *(attach additional sheets if necessary)*:

5. Certification

Please read carefully before signing: *Application is hereby made for a permit to authorize the activities described above. I certify that I am familiar with the information contained in this application, and that, to the best of my knowledge, such information is true and accurate and in compliance with the Michigan Natural River Program. I understand that Issuance of this permit does not revoke, annul, cancel, or in any way impair or interfere with existing provisions of law, ordinances, or any rules, regulations, or premises or with any private restrictions placed upon property by covenant or deed. I certify that I have the authority to undertake the activities proposed in this application. By signing this application, I authorize representatives of the Department of Natural Resources to enter upon said property to inspect the proposed project. I understand that the granting of this permit does not release me from the requirements of obtaining other federal, state, and local permits before commencing the project. I understand that if a permit is issued based on inaccurate information, the permit may be revoked.*

Signature of Applicant	Printed Name	Date

6. The following documentation must be submitted with this application:

1. A detailed site plan showing all existing and proposed activities, structures and uses, including their distances to the river and adjacent properties. *(See page 2)*
2. A detailed site location map and written directions if necessary.

*** PLEASE NOTE * - There are no state fees required for this application**

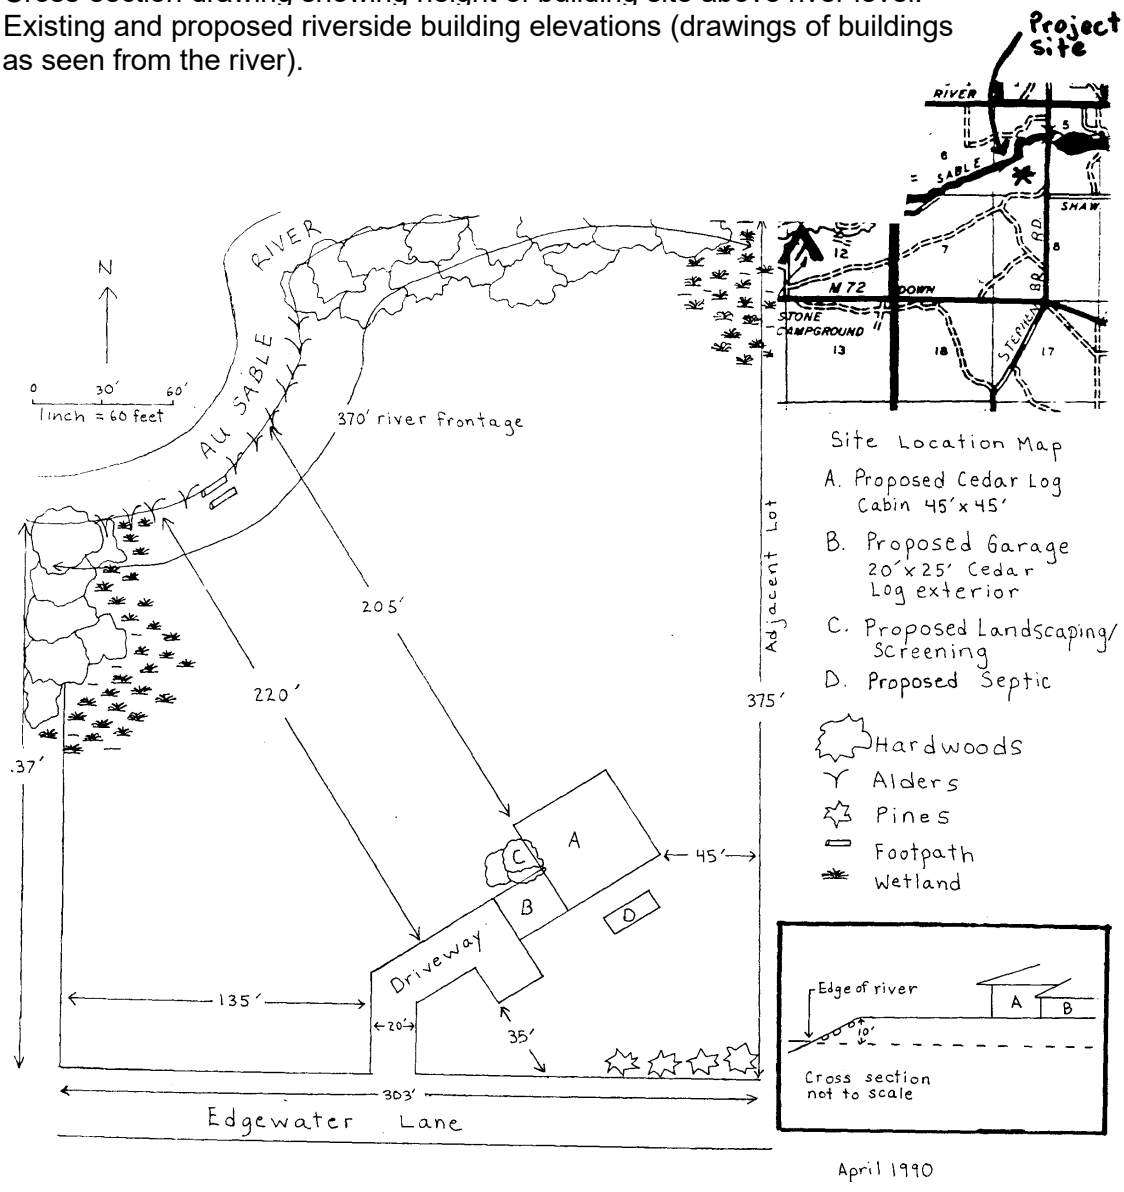
NATURAL RIVER PROGRAM APPLICATION SITE PLAN CHECKLIST AND REQUIREMENTS

All the following are required to be submitted with your application:

1. SITE PLAN

- ☐ Exterior dimensions of all existing and proposed structures, including covered floor area, peak roof height, shape, use, and location with distances to property lines and the river's edge.
- ☐ Location of other structures, including all accessory buildings (e.g., garage, outhouse), landscape structures (e.g., retaining wall, fences, fire pits), and footpaths, stairways, or docks.
- ☐ Existing vegetation, including location and general type (e.g., forest, shrub, grasses, lawn).
- ☐ Adjacent streets and highways.
- ☐ Driveways and parking areas.
- ☐ Location and description of existing/proposed septic systems and water wells.
- ☐ North arrow.
- ☐ Date of drawing.
- ☐ Brief description of building design and materials (e.g., single-story cabin, natural wood siding).
- ☐ Drainage facilities, if any.
- ☐ Cross-section drawing showing height of building site above river level.
- ☐ Existing and proposed riverside building elevations (drawings of buildings as seen from the river).



2. DATE PROJECT WILL BE STAKED/MARKED:
