Excerpts from Acts:

Act 299, P.A. 1980, Section 2011 (2) and Section 2012 (d), (e): A person shall not submit to any public official of this State or any political subdivision thereof for approval, a permit or for filing as a public record a plan, specification, report, or land survey which does not bear one or more seals of a registered architect, registered professional engineer or registered land surveyor as required by this act, except for public works costing less than \$15,000 or residential buildings containing not more than 3,500 square feet of calculated floor area as defined in this Act. A person who is licensed to engage in the practice of architecture, professional engineering, or land surveying in another State while temporarily in this State to present a proposal for professional services is exempt from the requirements of this Article.

Act 299, P.A. 1980, Section 2210 (1): Each landscape architect shall have a seal, approved by the department and the board, which shall contain the name of the landscape architect, the serial number of his or her certificate of registration and the legend "landscape architect, State of Michigan" and other words or figures as the department considers necessary. Plans, specifications, and reports prepared by the landscape architect or under his or her supervision shall be stamped with his or her seal when filed with a public authority.

PROFESSIONAL SERVICES CERTIFICATION

By Authority of 1980 PA 299, as amended.

Instructions: The Grant Sponsor must complete this certification and submit it to the Michigan DNR – Parks and Recreation Unit Contact. If more than two contractors are required, please use additional sheets.

Information: Excerpts from Acts –

Section 2011 (2) and Section 2012 (d), (e): A person shall not submit to any public official of this state or any political subdivision thereof for approval, a permit or for filing as a public record a plan, specification, report, or land survey which does not bear one or more seals of a registered architect, registered professional engineer or registered land surveyor as required by this act, except for public works costing less than \$15,000 or residential buildings containing not more than 3,500 square feet of calculated floor area as defined in this Act. A person who is licensed to engage in the practice of architecture, professional engineering, or land surveying in another state while temporarily in this state to present a proposal for professional services is exempt from the requirements of this Article.

Section 2210 (1): Each landscape architect shall have a seal, approved by the department and the board, which shall contain the name of the landscape architect, the serial number of his or her certificated of registration and the legend “landscape architect, State of Michigan” and other words or figures as the department considers necessary. Plans, specifications, and reports prepared by the landscape architect or under his or her supervision shall be stamped with his or her seal when filed with a public authority.
