

MiGrants – MiLogin for Workers

Login Guidance for State of Michigan Employees

INTRODUCTION

MiGrants is the Michigan Department of Natural Resources tool to apply for and manage grants.

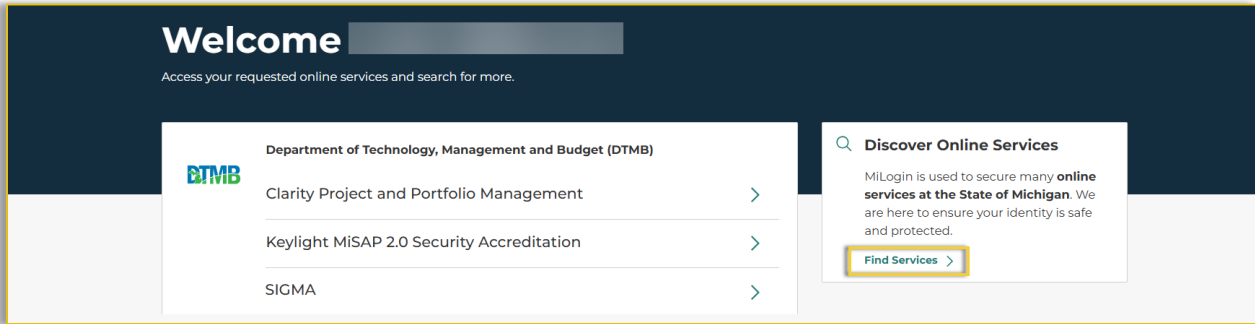

All State of Michigan (SOM) employees will need to connect their MiLogin account to their MiGrants account, to access MiGrants.

The following guidance is intended for employees at the State of Michigan.

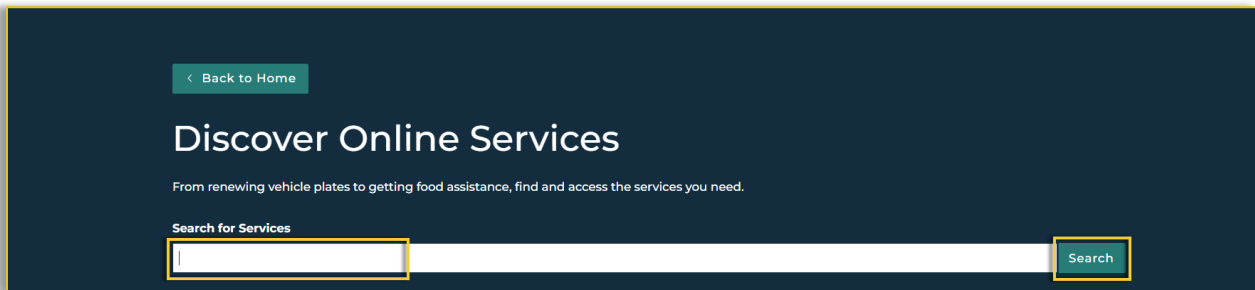

For assistance with MiLogin, go to [MiLogin for Workers](#) or call 517-241-9700.

Connect your MiLogin for Workers Account to MiGrants

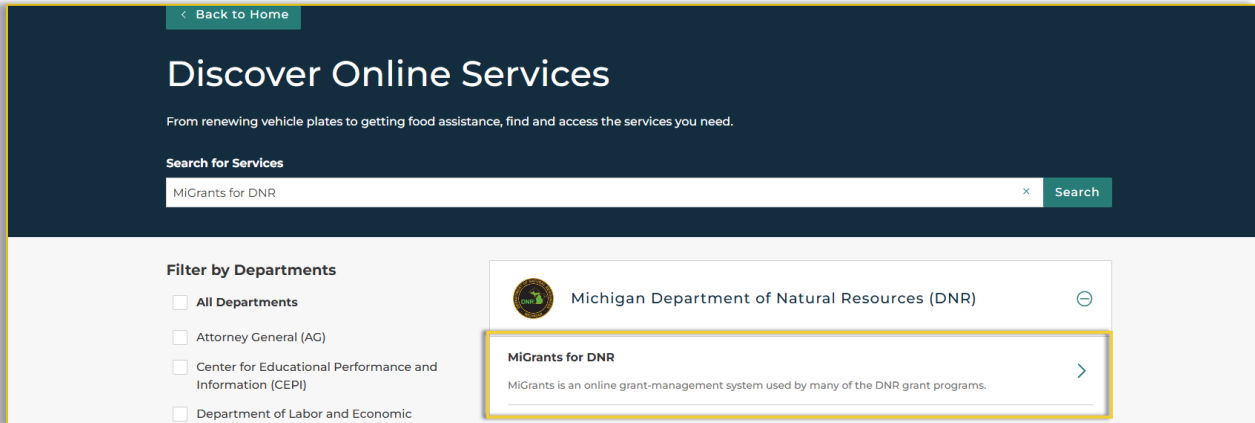

To begin, go to [MiLogin for Workers](#) and click the **Find Services** link.

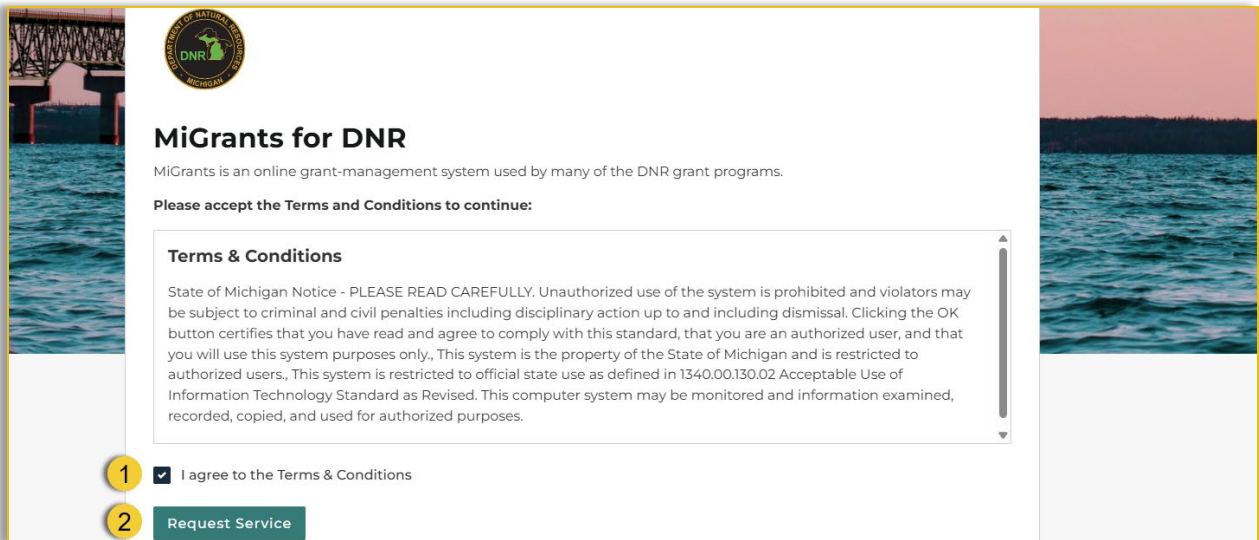

Step 2: In the Search bar, type **MiGrants**, select **MiGrants for DNR**, and click the **Search** button.

Step 3: Click on **MiGrants for DNR**.

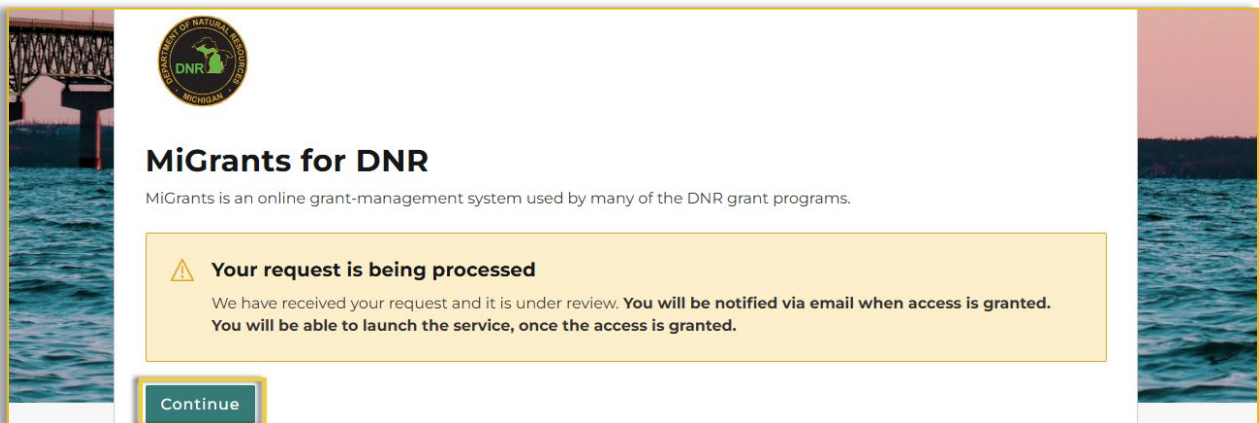

Step 4: Agree to the Terms & Conditions and **click the Request Service** button.

The screenshot shows the 'MiGrants for DNR' interface. At the top left is the DNR logo. Below it, the title 'MiGrants for DNR' is displayed, followed by a brief description: 'MiGrants is an online grant-management system used by many of the DNR grant programs.' A prompt asks the user to 'Please accept the Terms and Conditions to continue:'. A scrollable box contains the 'Terms & Conditions' text, which includes a notice about unauthorized use and penalties. Below the scroll box, there is a checkbox labeled '1' with the text 'I agree to the Terms & Conditions', which is checked. A second step indicator '2' is next to a green button labeled 'Request Service'.

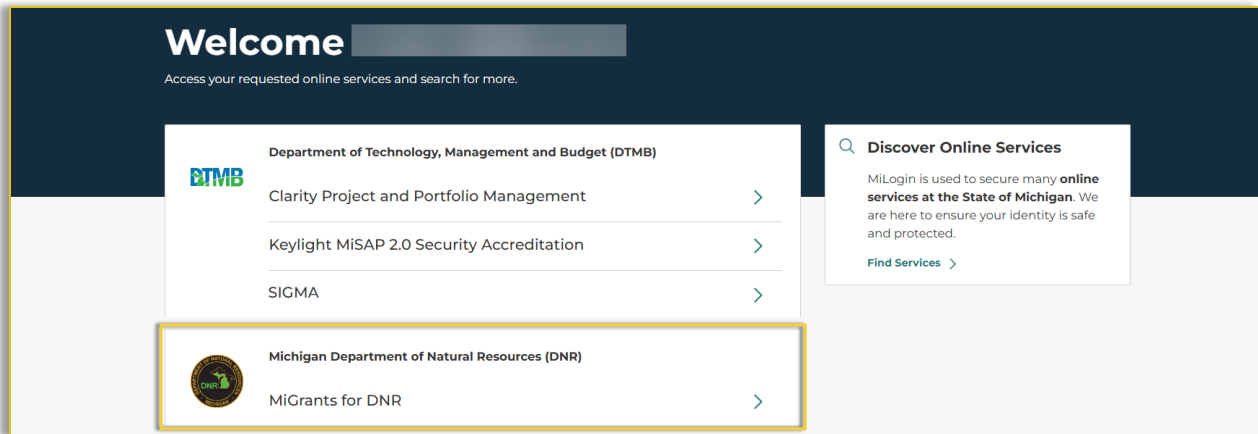

Step 5: Click the **Continue** button.

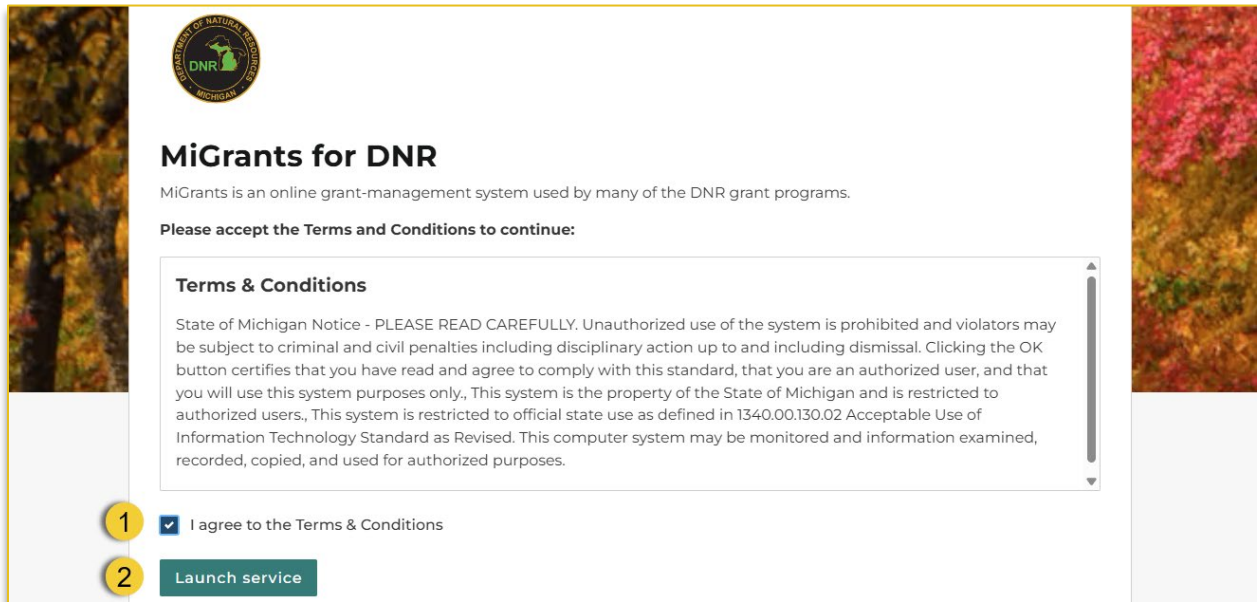

The screenshot shows the 'MiGrants for DNR' interface with a yellow warning box. The box contains a warning icon and the text: 'Your request is being processed. We have received your request and it is under review. You will be notified via email when access is granted. You will be able to launch the service, once the access is granted.' Below the warning box is a green button labeled 'Continue'.

You have now *initiated* the connection to your MiLogin for Worker account to MiGrants. The page may provide a warning regarding a delay between requesting and connecting. You can refresh your browser during this process and/or wait for the page to refresh on its own.

Step 6: Click the MiGrants for DNR button.

Step 7: Agree to the Terms & Conditions and click the Launch service button.

Step 8: Existing MiGrants users, enter your **Username** and **Password** and **click the Log In** button.
