- (5) Operate any motor vehicle with four or more wheels that does not contain a seat and individual seat belt for each occupant of that vehicle. Those vehicles with automotive-type seating and fewer than four wheels shall be equipped with a seat belt for each occupant. Vehicle operators shall comply with the provisions of the Michigan child passenger safety law, MCL 257.710d, and all of the following provisions:
 - (a) Seat belts shall be in use by all occupants while the vehicle is in operation.
 - (b) An approved automotive manufactured restraining device, such as a lap belt or three- or four-point harness, is an acceptable seat belt.

(c) Seat belts and restraining devices, other than factory installed, shall be secured by bolting to the vehicle floor, frame, or roll bar.

(d) Any vehicle on which the operator straddles the seat, such as a motorcycle or an all-terrain vehicle (ATV), will be limited to the operator only as the sole occupant and no seat belt will be required.

(6) Operate a vehicle requiring seat belts where an occupant in the rear seat is not protected by a roll bar located immediately behind the occupant's seat as described in subsection (8) unless the rear seat occupants are wearing a safety approved for automotive use (A.N.S.I. or equal) helmet. The operator or occupant of a vehicle not required to meet seat belt specifications shall wear a safety helmet approved for automotive use (A.N.S.I. or equal) and protective eyewear.

(7) Operate a vehicle requiring seat belts without a warning flag mounted and extending over the front-most portion of the vehicle. Vehicles not requiring seat belts shall mount the warning flag on the rear of the vehicle. Vehicle operators shall comply with all of the following requirements:

(a) The warning flag shall be mounted on a staff that is securely bolted, welded, or secured to the vehicle. The warning flag shall maintain a minimum 10-foot height at standstill and a minimum 8-foot height under motion.

(b) The warning flag shall be mounted on the top-most end of the staff. The flag shall be rectangular, international orange in color, solid material, with a minimum length on the supporting side of five inches and a minimum length on the base side of 10 inches.

(8) Operate a vehicle requiring seat belts that is not equipped with an integral steel roof, or roll bar located immediately behind the operator, or roll cage, capable of supporting the weight of the vehicle. The operator and occupants of a vehicle without a full front windshield shall wear protective eyewear. The operator of a vehicle equipped with a roll bar shall comply with all the following requirements:

(a) The roll bar shall be welded or bolted to the floor or frame of the vehicle.

(b) The roll bar shall be braced in such a manner as to prevent collapse.

(c) The roll bar shall have clearance above, behind, and outside each seated occupant in the vehicle.

(9) Fail to submit to any of the following tests, or operate any vehicle that does not comply with all of the following:

(a) Vehicles shall be equipped with a muffler and spark arrester containing baffles, shall meet the muffler and spark arrester requirements specified in subsection (g) of section 81133 of Part 811, Off-Road Recreational Vehicles, Natural Resources and Environmental Protection Act, 1994 PA 451, MCL 324.81133(g), and shall successfully pass a muffler and spark arrester baffle test.

(b) A maximum noise level of 94 dB(A), or the current EPA emissions limit, shall be met. The testing provisions of current SAE J 1287, June 93 standard for ATV and motorcycle vehicles and SAE J 1169, March 93 for all other vehicles shall be followed and all vehicles shall pass a stationary sound level test. The stationary sound level test shall be administered from a 0.5-meter (19.69 inches) distance at one-half the engine's maximum rated RPM and as further described by current testing provisions for the particular vehicle.

(10) Operate any vehicle at any time without possessing a valid unrestricted operator's or chauffeur's license, except as follows:

(a) A person at least 12 years of age with an ORV safety certificate issued by this state or another state or a province of Canada may operate either an ATV or motorcycle with direct visual supervision by an

adult. The direct supervision shall not be impaired by distance and must allow the adult the ability to direct the youth's actions by verbal communications. Electronic amplification of verbal communications shall not be used.

(b) An adult shall not allow an unlicensed youth to operate an ORV.

(c) An ORV operator licensed under a level two graduated driver's license shall only operate under the provisions of that license.

(11) Operate any type of vehicle and fail to present an operator's or chauffeur's license or ORV safety training certificate upon the demand of any law enforcement officer or state park personnel.

(12) Enter or use the ORV area without complying with all posted regulatory, zoning, or directional signs, or operate a vehicle except in the directional pattern established and marked within the ORV area.

(13) Enter or use the ORV Area without obtaining and displaying a valid ORV area parking lot voucher or dune ready voucher at any time when such requirement is posted.

(14) Operate any vehicle while towing a contrivance other than a disabled vehicle or trailer or tow a vehicle or trailer on other than the designated parking lot or paved entrance road without first obtaining proper written permission from the department. Passengers shall not occupy any trailer or disabled vehicle while it is being towed.

(15) Drive or operate any motor driven vehicle at speeds exceeding posted speed limits or perform exhibition-type driving within the parking area or entrance road/ramp to the ORV area, or the defined speed zone along the Lake Michigan shoreline. Exhibition-type driving means performing wheelies, spinning tires, cutting circles, jump starts, or other erratic or irresponsible or careless driving.

(16) Operate an ORV that is not titled.
