ADVENTURE LABS

Each Adventure Lab is made up of 10 different locations to explore throughout two different counties.

HOW THE ADVENTURE LAB WORKS

- Download the free Adventure Lab® app and print your Waterways Adventure Lab Log.
- Log into the app with a Geocaching.com account.
- Select a Waterways Adventure Lab from the map or list.
- Navigate to the Adventure location and follow the instructions in the description.
- Once the location is found, answer the question to receive the code word.
- Once you discover the code word at each location write it in your log.

Michigan Waterways Adventure Lab Log

What are Adventures Labs?

Adventure Labs lead you to different locations to explore. They do not require a physical container. The Adventure Lab® app expands the boundaries of traditional geocaching into new spaces and experiences while introducing innovative and fresh ideas that make exploring even more fun!

The Michigan State Waterways Adventure Labs feature adventures located in four regions of Michigan.
